In the evening game which will start at 7 o'clock and will be a nine inning game, the Fredrickton pitcher is likely to be Wheeler and the Alerts pitcher, Sterling or Kerr.

After the game tonight there will be an important meeting of the city baseball league executive in the G. W. Y. A. rooms. How Dempsey Does It.
New York, July 29.—Don't be afraid to hit" was the advice Jack Dempsey gave to Bud Riley, a coming bantam, "with both hands and hit anywhere except below the belt, but if you can't win if you don't hit. If the referee orders you to break clean do it, as well as the other fellow who let you, but don't forget to hit him if he gives you a chance. If the crowd rides you, hit him again. There are really only two big things in boxing—one is to hit and the other is to keep from being hit, but if you hit your opponent, offener and harder than he hits you, why win."

Truro, N. S., July 28.—The Truro speedway record was smashed again today when Belle McGregor, the fast mare recently brought from Woodstock (N. B.), by John T. Fraser, negotiated the second heat of the free-for-all in 2:16. In the first heat she equalled the record of 2:17½ set by P. K. Junior last Wednesday. The race today was taken by Belle McGregor in three straight times—2:17½, 2:16¼, 2:16¼.
