Buying Upon Faith

UNLESS you are an expert, you cannot judge the quality of a shoe by looking at it. It is possible to take most of the wearing qualities out without changing its appearance. Shoes are bought largely upon faith in the integrity of dealer and manufacturer.

In these days of high-price levels, your confidence should be well placed. Go to a reliable dealer, whose judgment you can trust. Get his candid advice as to values. Buy for the best service at the price which you wish to pay.

Look for the manufacturer's trade-mark on the shoes you buy. It is a sign that the manufacturer himself has confidence in the shoes, and that they are worthy of your confidence. A responsible manufacturer will not jeopardize his reputation by placing his business signature upon an unworthy product.

Buy shoes of a brand you know, from a dealer whom you know. Buy for service rather than merely for appearance. Thus you may be assured of Quality Shoes at Fair Prices.

A.H.M. War-Time Selections offer Special Service Values for Men, Women and Children. Ask your dealer for them.

HEARTY APPLAUSE SHOWS APPROVAL OF OPERA HOUSE BILL

The change of programme at the Opera House last evening attracted a large number of patrons, who evidently enjoyed the stellar programme provided. The five vaudeville acts were diversified and, judging from the frequent and hearty applause, afforded good wholesome entertainment. In addition to the vaudeville numbers the first episode of "The Woman in the Web" was thrown on the screen and judging from the large gathering here introduced many original steps in a manner which evoked prolonged applause.

Among the five vaudeville acts Jack Dempsey made the big hit of the evening. He impersonates a tramp-comedian and his make-up, line of patter, singing and dancing made a decided hit with the large gathering. He introduced many original steps in a manner which evoked prolonged applause.

Another feature was the Edwards Trio in a musical act. The trio consists of a man and two young ladies. All three are clever musicians, one young lady being an exceptionally good pianist and the other young lady and man good vocalist, or trumpet, players. Their rendition of several difficult and catchy airs was

greeted with well merited applause. Norton and Model won instant favor when they appeared in a singing and dancing number. They are two of the best dancers seen on a local stage for some time and their clever work was thoroughly appreciated. The male member is also a very good singer and a solo, which he rendered in a most pleasing manner, was well received.

The Riscos in an unique act entitled "Fun in the Jungle," was amusing and afforded amusement to all. Both are good acrobats and their act was greatly enjoyed.

Conley and Chick were heard in a singing and repartee act, which was very good. The male member recited a pathetic piece, which had a real "heart throb" in it, and he won well merited applause. On the whole the show is good and well worth seeing.

The Storage Battery With the Exclusive Machine Pasted Plates

Battery Repairs

Our U. S. L. Battery Service Station is now completely equipped with the necessary apparatus and electrical instruments for the care and repair of storage batteries of all makes, and in charge of expert battery men. We carry a full line of spare parts and make repairs promptly and at reasonable prices.

Winter Storage and Overhaul

Your storage battery requires special winter care. Batteries stored wet in apparently good condition frequently develop trouble during the winter or soon after being placed in service in the spring. You can't determine the condition of the working parts without disassembling the battery. They deteriorate appreciably in acid, even though standing idle and properly cared for, and usually require overhauling annually.

We therefore store "dry" by a new process all batteries left with us—overhaul, wash, re-insulate, re-assemble, charge completely, then remove acid and seal them. We make only our regular overhauling charge of \$4.00, and store your battery free until next spring.
