he cannot prove it. Hence he becomes plunder workers.

## HOW WILL IT BE DONE

man who has not let his brain wander out of the rut of bills receivable and bills payable, duns and taxes, is how the socialists intend to bring socialism into practise. The average men declares that socialism is fine in theory. but it cannot be put into practise. It is against human nature.

The trouble with these men is that they have a wrong outlook upon life. follows that the results are bad and They actually believe that men have those results must be eliminated and free will. They think that men control not carried forward as a burden to the their environment and that the environment does not control men. In phil-Therefore the socialists stand for repudiation. Debts, national, provincanarchist. ial or municipal, will be repudiated.

The ordinary man thinks that the soordinary man while claiming to be a trine of the regeneration of the individual. When the socialist tells the ordin-

If we are to build a system in which scheme and that socialism does not aim the standards will be the power to laat regenerating the individual, the ordinary man is completely nonplused. Ignorant himself, the only solution he can give is one based on the argument corrupt and rob must be completely ad hominen. The socialist is a longoverturned. The little reformer wants that intact. All he wants to do is to he is talking about.

The Utopian socialists, Robert Owen, tone down some of the most glaring Saint Simon, Fourier and others, laid sult of the church and its preachings newspaper devotes two pages a day to Hence, the constant shifting of troops. preach frugality to the wage slave. Their news- papers and all the functionaries who gain more or less of a soft living from contact with capital, also sedulously	little suffering as possible to the human atoms that compose his particular state. H. C. Frick of the Steel Trust, is said to be building a thirteen storey building in Pittsburg. Of course, as the reports state that Frick is build- ing it, there can be no one else help- ing him on the job. Will he dig the foundation with his own hands ? Will he put up the steel frames and lay the bricks ? Or will he get wage slaves to do the work while he draws the revenue ? Prof. Charles Zueblin, socialogist, of Boston, is declaring that Harri- man is a railroad genius and a finan- cial pest. Under socialism his rail- road genius would be utilized while he would have no chance to exercise	countries. The churches in preaching the depravity of man have been work- ing a monstrous hoax upon society. It is very doubtful whether the church organizations, either Catholic or Pro- testant, are really desirous of doing away with the evils which afflict Canada. The so-called bad men and bad women are the result of economic forces too great for the individuals who suffer from them to overcome. Remove these economic forces, or rather direct them in the right way, and the bad men and the bad women, they or their children, will become good. But if the bad men and the bad wo- son became good of themselves with- out the aid of the tom-toms of the Sal- vation Army, or the broad phylacteries of the Catholic and Anglican priests,	the wage slave. There are exhibitons which are free. The gee-gaws of the Governor General are a free exhibition. The king in statu- is another free exhibition for the peo- ple to gape at. But the people are getting tired of this kind of spectacle. Edward and the Czar have just met. But the people were in an ugly mood and this exhibition was not public. Bread and circuses worked well for the rulers of Rome. Bread and cir- curses, however, are not ke eping the modern citizens quiet. The socialist organizations are in every country. These socialists are sapping the foundations which the parasites rest upon. In a few years, with peace, the multimilionaires and the titled aristo- crats will be pulled down from their positions of protected thievery. Bread and circuses do not work and the rulers are experimenting with imperial- ism and militarism as a counter attrac- tion. Militarism is a dangerous exp	At the same time enrich themselves. But the capitalists are afraid. The plundered laborers are in an ugly mood and the capitalists fear for their own necks should their protecting armies be sent to a foreign field. Spain is an ex- ample which has put the fear into the hearts of the murderously disposed in- ternational capitalists. <b>THRIFT</b> One of the bluffs which the oily capitalist likes to work off on the laborer is that of thrift. The English lord or the American multimillionaire is great on preaching thrift. He will paint in glowing colors the benefits which the working man can derive from	that the Senator's actions were justifiable when a waiter was dila- tory. Thus plutocracy sneers at equality and justice. Two injunctions have been issued recently. One injunction has been issued preventing the aldermen of the City of Halifax selling a lot of eity land at low rates to a private com- pany. The other was in Toronto preventing the eity fathers from do ing the same thing. Our courts as yet are not so capitalized and cor rupt as those of the States. At last the revolution is stirring in Spain. It is the fact that the re- volt is in the seaport town of Barcel ona and in the manufacturing reg-
