ir. Tweedle may as well recognize the fact Liberals here are not satisfied with the con

SPECIAL BARGAINS dorsed by such Conservative papers as in regard to through summer freight year. ponsible to seriously put forward involved in the development of the the idea that anybody has anything to country in this competitive age. fear from the class of Conservatives eferred to by the World.

Sir Charles Topper when the latter was government railway system, is not hard ROUGH SKIN Premier of Canada and by Mr. Foster, to understand, but that Mr. Blair's Sir Charles said "so much the worse colleagues should stand in the way of for Mr. Tweedia." With the aid of securing so valuable an extension of the Fosterites set about the task of sible. The Sun is, however, right from defeating Mr. Tweedie in local polities, a party standpoint, to exult over the while Mr. Tweedie retailated by siding situation, if it is as that opponent of while Mr. Tweedie retaliated by aiding Mr. Blair in the Dominion field. The everything Mr. Blair proposes for the results of the fray—thanks to the good | country's benefit, represents. the correctness of Mr. Tweedie's posi-

ion. He is, to-day, the popular Premier of the province and in accord with its able Dominion Minister, while I'weedie," the fact ought not to trouble are generally right. The World does not seem capable of realising how distance between abutments to be not less grotesque its anathemus of Mr. Tweedie than 1,000 feet. The cost is estimated appear to its more intelligent readers

A Flat Contradiction.

tham is the started by the St. John Globe, to the effect that Mr. R. A. Lawlor, of Chatham, had been commissioned by Premier Twee-lie to coax or whip his St. John mental previous that such purher mented it with editorial remarks notice to all the a commission to manufacture imaginary Roman Catholic discontent with the naving more politics (?) to the square nch than is good for it, gives the

> "Mr. Lawlor made no advance of a political or quasi-political nature to his co-eligionists in St. John. He did, however, sligionists in St. John. He did, nowever, y invitation, listed to the views of certain atholics of this city, and, at their request, onsented to carry a message to the local remier. That message was no servile somise of support, but a self-respecting procuncement—nitimatum, if you will—of that must be done before the local government and home to receive superque supports. what must be done before the local government can hope to receive generous support from Irish Catholics at the polls. If Mr.
>
> Lawfor succeed in the mission confided to him by some of his co-religionies in St. John Catholics of the province. The fact that he is not in politica, nor seeking political preferement, strips his action of all imputation of selfish motive and gives it proper perspective. As an Irish Catholic and one of the leading figures among his co-religionies of Northumberland he is a representative man, and it was well within the prerogative of other Irish Catholic in St. John to wish to hear his views of the outlook for the cause has upon the whole been somewhat quiet during the past week, the dreadful fogs and storms from which the country has been suffering have had the inception of the small-pox epidemic now prevailing in that city. The steps taken in dealing with the outlet was well within the prerogative of other Irish Catholics in St. John to wish to expression is not the writer's, but that of a well-known auctioneer and maker of the present time "apruce is king"; the catholic way. It may be that the authorities were swayed by business considera other Irish Catholies in St. John to wish to hear his views of the outlook for the cause all have at heart. This is the sum and substance of Mr. Lawlor's connection with the meeting about which the Globe and other papers have been doing so much guessing."
>
> The Globe, referring to the foregoing, endeavors to wriggle out of its former misrepresentation of Mr. Lawlor's considerations. The movement is still upwards, and optimistic brokers are gaily talking of £8 s.i.f. for the near future. At the position in the matter, It lacks the consideration of the consideration of £8 s.i.f. for the near future. At the directly affected may have prevented the
