### LOCAL NEWS.

Rev. P. P. McKim, of St. Luke's and  
Rev. F. G. Scott, of St. Jude's churches  
exchanged pulpits last evening.

Storm drum No. 1 was ordered up on  
noon indicating a fresh gale from the  
eastward.

The portable mill operated at Vin-  
cent's Corner three miles back of  
Brown's Flats by George P. Seeley &  
Sons, will finish work this week. The  
cut for the season amounts to 4300-  
600 feet and the timber is being hauled  
to Jones' Crick.

At the close of the morning service  
yesterday in Ludlow street Baptist  
church, seven candidates were baptized  
by the pastor Rev. E. C. Jenkins. The  
special services will continue during  
the week.

Never for years have fish been so  
scarce, said a fish merchant this morn-  
ing. The cold weather for this time of  
year is thought to be the cause of the  
scarcity. Haddock, cod, smelt, and  
mackerel can only be had at very high  
prices.

Information was received at the I. C.  
R. ticket office today to the effect  
that the steamer Stanley, which left  
Pictou on Sunday morning had to re-  
turn on account of heavy ice. She left  
again this morning. The Minto, which  
left Georgetown on Saturday morning,  
reached Pictou shortly before nine  
o'clock this morning. The Minto will  
undergo repairs, but will likely be  
ready to leave Pictou tomorrow.

Owing to the prevailing car shortage,  
and the congestion of freight, delay  
has been experienced in receiving ship-  
ments of steel rods from Sydney. On  
this account the Pender Nail Works  
has been running on little more than  
half time for some months, being  
closed on different occasions for sev-  
eral days in a week. Conditions are  
now improving.

On Saturday night the police were  
called into Annie Knowlton's house, Mid-  
dle street, to eject John Knowlton who  
was creating a disturbance. Also into  
Mrs. Henry Thomas' house, Harrigan's  
Alley, off Brussels street, to quell a dis-  
turbance; also into an Acadia street  
house for the same purpose and into the  
Chapel street house to prevent a breach  
of the peace while Constable French  
was making an arrest.

### ALDERMEN FEAR A DEEP LAID SCHEME

Someone Has Told Them That a Citizens'  
Ticket Will be Announced  
Tomorrow.

Some practical joker who commen-  
ced operations on the first of April is  
having any amount of fun with a few  
of the aldermen. These officials who  
intend offering for re-election, have  
been persuaded that a deep laid scheme  
is on foot to have them defeated. They  
are in great fear that some hitherto  
unannounced opposition will be de-  
veloped tomorrow, that a ticket com-  
posed of prominent business men has  
been arranged and will be sprung as a  
surprise, and that the present calm is  
only a sign of the coming storm.

Two or three of the aldermen who  
have been so scared, are going about  
the consultation of friends and assur-  
ances from supporters that there is  
no truth in the rumor.

There is absolutely no probability talk  
of the streets today. Scarcely a person  
evinces any interest in the fact that  
nominations will take place tomorrow,  
and there seems to be no definite  
opposition to any member of the present  
council. In two or three of the wards  
it is anticipated that contests will  
take place, but many names have  
been mentioned and so many men have  
decided not to run, that no one knows,  
or seemingly cares, what happens.

### BETH McLEOD UNDER ARREST ON THE CHARGE OF HORSE STEALING

While Partly Intoxicated Last Night He  
Took Ex-Policeman White's Rig  
and Went Out the Road

Beth McLeod, the fighter, is in trou-  
ble again and this time the most seri-  
ous he has yet got into. He is  
charged with stealing a horse, wagon,  
buffalo robe and a whip. McLeod was  
given in charge of Police Sgt. Baxter  
at five o'clock this morning.

The property stolen is owned by ex-  
policeman Wm. H. White, whose past  
experience as an officer of the law as-  
sisted him in the recovery of his lost  
property and the arrest of McLeod.

Late about ten o'clock White  
left his horse and rig standing out in  
front of Garnet's restaurant on Main  
street while he obtained a whisky. When  
he came out he found that his team  
had been taken away. On the corner  
of Douglas avenue Policeman Perry  
and Covale informed White that they  
had seen his horse driven at a furious  
rate out the Douglas avenue. White  
continued on the trail and was in-  
formed by a conductor on a street car  
that the team went to the Suspension  
bridge at furious rate—as fast as the  
joke. Mr. White then went to  
Fairville, found Policeman Lawson III,  
but located Constable Taylor and to-  
gether they drove out the Manawagon-  
ish road and finally located the stolen  
team at John Martin's road house,  
Spruce Lake. The buffalo robe and  
whip were missing. McLeod was  
found in the house and Martin said it  
was McLeod who brought the horse  
placed under arrest and brought to the  
city.

This morning he was remanded to  
jail and the case will come up tomor-  
row morning.

McLeod pleads not guilty to the  
charge. He was drinking last night,  
but the plea of drunkenness is not al-  
ways taken as an excuse for stealing  
and the case looks to be a rather seri-  
ous one for the prisoner. McLeod was  
not represented by counsel this morn-  
ing.

Mr. White requests the finder of the  
robe or whip to kindly notify the  
police.

### ICE IN THE REACH IS AS SOLID AS EVER

A Seven Mile Barrier Extends From Nat  
Belyea's to Williams' Wharf.

There is very little prospect that the  
river will be open until well along  
toward the end of the month. While  
clear water is found to the foot of the  
Reach with the exception of a  
rapidly weakening stretch across the  
upper part of Upper Bay, Long Reach  
is still as solid as in the middle of the  
winter and it will not run out for at  
least two weeks.

Reports received this morning from  
Brown's Flats are to the effect that  
from the foot of the Reach clear water  
can be seen as far up as Nat. Belyea's  
Carter's Point, but from there the ice  
is a foot thick and extends without a  
weak spot to Williams' Wharf, just  
below The Cedars.

From Williams' Wharf as far as can  
be seen in the Belleisle there is open  
water. By the Reach ice is still so  
solid that teams are crossing today.  
Residents along the river believe it  
will be at least two weeks before there  
is sufficient loosening to permit the  
passage of steamers.

John Ryan was charged by Phillip  
Doherty with doing damage in his  
saloon on Brussels street. Ryan had  
an altercation with Mr. Doherty and  
threw a tumbler through a large plate  
glass mirror. He was represented in  
court this morning by N. O. McInerney  
while Daniel Mullin appeared for the  
plaintiff. Ryan pleaded guilty and was  
fined \$20 which was allowed to stand  
against him providing that he make  
good the damage done. This was agreed  
to and Mr. Gay manager of the Law-  
ton Woodworking Company, guaran-  
teed to put in a new mirror for Mr.  
Doherty.

The magistrate remarked that had  
the damage been more than \$20 Ryan  
would be liable to do two years in  
Dorchester Penitentiary. Wm. Shannon  
for being profane on Mill street last  
night was fined \$8.

Three drunks were fined the usual  
amounts.

### THIS SEASON'S SUBURBAN SERVICE ON THE I. C. R.

It is not at all probable that any  
suburban train will be put on by the  
C. P. R. earlier this year than last.  
Some of the people of the Westfield  
district are desirous of having the  
suburban arriving in St. John at 8.10  
a. m. put on about the first or middle  
of May, but this will not be done. Nor  
is it likely that the train will run any  
later in the season. The present in-  
tention is to start the suburban during  
the last week of May, and take it off  
about the middle of September. The  
Fredericton express leaving St. John in  
the afternoon, will likely be sent out  
at 6.05 and the suburban at 6.15. Under  
this arrangement either the Boston or  
Montreal express leaving later would  
make suburban stops.

The Eastern Line steamer Governor  
Cobb sailed this morning from Boston  
for this port via Portland and East-  
port. This starts a weekly two trip  
service leaving here every Tuesday and  
Friday evenings at 6.30 o'clock for Bos-  
ton, coastwise, and leaving Boston  
every Monday and Thursday morning  
at nine o'clock for St. John, coastwise.

### WILL DECIDE FOR OR AGAINST FREE PEWS

Congregation of St. Luke's Church to Hold  
an Important Meeting Tonight.

The congregation of St. Luke's  
church will meet this evening to decide  
whether or not the system of free pews  
will be adopted in the church. This  
matter is one in which every member  
of the church feels a personal interest  
and it is expected that the meeting will  
be very largely attended.

Some three years ago the congregation  
decided to make a trial of the free pew  
system, and accordingly it was intro-  
duced, the understanding being that  
the arrangement was only of a tempo-  
rary nature and would be discontinued  
or made permanent whenever the con-  
gregation felt like expressing a matured  
opinion. The trial has been going on  
for three years, and tonight's meeting  
will determine the future policy of the  
church has gone forward by bounds.  
The revenue has increased wonderfully.  
The new school has been built, and many  
other improvements have been made,  
all of which shows that at least no loss  
has been sustained by the test.

On Easter Sunday St. Luke's for  
the first time greeted a surprised choir.  
Mr. J. K. Scammell is choir master, Mr.  
A. Chip Ritchie, instructor, Miss Far-  
mer, organist, and there are in all fifty-  
five singers. Much enthusiasm has  
been exhibited over the organization of  
this choir, and a large number of names  
of applicants are on the waiting list,  
there being no accommodation for any  
more at the present time than at present.  
Yesterday the Easter music was re-  
peated.

The members of the Every Day Club  
will be entertained this evening by  
views of the Yukon, thrown on the  
screen by Mr. Fyfe and explained by  
Fred Curran, who has visited that re-  
gion and knows it thoroughly.

### GENUINELY ANTIQUE ORIENTAL RUGS... VERITABLY AN ART COLLECTION

THE TRUE LOVER OF ART IN TEXTILES appreciates the value of  
a real Oriental rug, the same as a connoisseur of rare paintings looks  
upon a valuable canvas. Though oftentimes worn in appearance and in-  
variably rich in years these heirlooms of the East, these prayer mats, mosque  
carpets, household treasures, possess greater artistic merit than the work  
produced in Europe or America. Oriental carpets outlast generations, their  
color, weave and lustre cannot be imitated, each item is the work of an in-  
dividual, or perhaps a household, often consuming years in the making; each  
one a distinctly unique and characteristic creation. The handicraft of rug  
weaving is indelibly wrapped in the history of Persia, India, Turkey, Af-  
ghanistan, Turkistan and the Chinese Empire, and in presenting to the peo-  
ple of Lower Canada this exquisite collection, we feel assured of unstinted  
appreciation on the part of those whose refinement and cognizance of actual  
worth will make such a merchandizing venture, a delight. Our Mr. V. G. Smith,  
now in Europe, personally selected these Oriental textiles from the most  
authoritative rug collectors in the world, but recently returned to the great  
metropolis from an extended Eastern tour.

A PLEASURE TO EXPLAIN THIS EXHIBIT.
