GENERAL HARRIS, U. S. A., REPORTS ON CONDITIONS IN BERLIN

Believes the Gov't Has the Upper Hand and Will be Able to Control the Situation if Food is Sent to Aid in Holding Back the Bolshevik Menace from the Eastern Border.

Paris, March 14.—(By the Associated Press)—Brig-General Harris, commander of the American military force at Berlin, has been here for several days to appear before the supreme war council to render a report on the military and economic situation at the German capital and throughout Germany. He has given a dramatic recital of events in Berlin during the past three months, culminating in the serious street fighting of the last fortnight.

When Gen. Harris' party left Berlin, the government forces under Gustav Noske, the German war minister, had the upper hand, and in the general opinion the government will control the situation, particularly if food is sent to aid in holding back the Bolshevik menace from the eastern border.

Thousands of Russian prisoners at various camps in Germany, General Harris says, are clamoring to return home, but this would present a serious problem, as it would mean the sending of six hundred thousand Russians into the hands of the Bolsheviks. The latter are threatening the Polish front and have a powerful organization at Vilna, with unlimited funds for propaganda work, which is under direction of Adolf Joffe, former Bolshevik ambassador at Berlin. It is believed that a strong military zone in Poland, between Russia and Germany, together with food relief, offers the surest means of holding back the Bolshevik advance. The Russian prisoners are in reasonably good condition, with adequate food and little sickness and mortality.

ALLIED TROOPS MAKING PROGRESS

Siberian Contingent Has Inflicted Heavy Losses on the Bolshevik and is in Good Condition.

Archangel, March 14.—Compared to the losses inflicted upon the enemy, the Allied casualties in the fighting along the Vaga River, since Feb. 25, have been extremely light. It is estimated that the Bolsheviks have lost at least 500 killed.

The health of the expeditionary forces since the Spanish influenza epidemic in September and October has been excellent. As the new mobilized Russian troops are becoming trained, they are gradually relieving the strain to which the British, French and American forces were put in the early days of the campaign.

DANDRUFF GOES! HAIR GETS THICK, WAVY, BEAUTIFUL

Save your hair! Double its beauty in a few moments.

Try this!
Hair stops coming out and every particle of dandruff disappears.

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—you will be light, fluffy and wavy, and have an appearance of abundance, an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

PENSIONS FOR SOLDIER'S WIDOW

Ottawa, March 14.—Mrs. Emily Warrington, widow of Major Warrington, who has been prominent in connection with patriotic fund work in Montreal, appeared before the pensions committee of parliament today and made a strong plea for pensions for widows of soldiers. The widow of a private gets \$40 with allowances for children, if she has a family. Mrs. Warrington said she could not see how a woman was able to get along on less than \$100 a month and keep a house going. She made a special plea for officers' widows in order that they might be able to raise and educate their children properly.

For Biliousness

Biliousness is a common form of indigestion. It is brought on by food-waste which the stomach, intestines and bowels fail to expel. If you will take a few doses of Beecham's Pills, when bilious, you will soon rid yourself of the impurities, relieve sick headache, stimulate the liver and bile and tone the stomach. Healthy conditions are quickly re-established by using

Believes if Russia is to be Saved Allies Must Overwhelm Bolshevik in Siberia.

Honolulu, March 13.—General Robert Paris, of the French army, returning from Siberia, where he was associated with the Czech-Slovak command, said today, through his aide, that unless the Allies intervened immediately with sufficient forces, the Bolshevik would overrun Siberia and the Germans would gain an unshakable grip on Russia.

THE SPARTACAN VICTIMS NUMEROUS

It is Difficult to Find Accommodation for the Bodies in Berlin Morgues.

Copenhagen, March 14.—The number of victims of the latest Spartacan disturbance in Berlin, according to the Zeitung Am Mittag of that city, is so great that it is difficult to find accommodation for the bodies in the Berlin morgues. The paper reports that there are 196 bodies in the morgues in Hanoverstrasse, of which forty-two have not been identified. The capacity of the morgue is exhausted.

NOT TO REOPEN PAYNE HEARING

Federal Officer Charged With Perjury in the Col. Readman Trial.

Quebec, March 14.—Judge Langelle today decided that he could not reopen the preliminary inquiry into the case of A. N. Payne, a federal officer, charged with perjury in connection with the trial of Col. Readman. Payne had maintained from the superior court that all documents pertaining to his case before the police court be returned to this court for the hearing of his witnesses, but today Judge Langelle decided that Payne had not brought in his witnesses in court at the time of his inquiry and that police court having bound Payne over to the grand jury, had no further authority in the case. The only alternative for Payne now is to choose a summary trial or else go to the King's Bench.

THOUGHT IT WAS A BOIL Doctor Said Abscess.

Mr. Gleason R. Young, Kingsport, N. B., under date of Feb. 26th, 1918, writes us as follows: "About five months ago, a lump came on my jaw bone. I thought it was a boil, and after it had been there quite a while it began to get larger. I went to a doctor and he said it was an abscess, and lanced it. He gave me a wash for it, and I went by his directions until it healed up, but it commenced coming again, and in about three weeks it broke itself. I thought it would get better, but it didn't. A neighbor advised me to get a bottle of Burdock Blood Bitters, so I sent and got a bottle, and by the time it was all gone, the abscess had disappeared, and now it is all better."

WELSFORD

Welsford, March 14.—The many friends of Mrs. William McKim will be grieved to hear that she had a stroke of palsy last week. At present she has improved somewhat.

At the Quilting Bee

What good times they had at the simple old-fashioned parties. The ladies gathered early to help their hostess sew; the gentlemen came later, and there was a little dancing and some delicious home-made refreshments, which the gentlemen gallantly served with old-time courtliness. Ginger Punch was a great favorite at old-time parties. It is a cooling, delightful drink, just as refreshing after dancing as it was in the days when Grandmother made it. "Grandmother's Recipes," our new cook book, tells you just how to make Ginger Punch with ginger root, cracked ice and

Lantic Old Fashioned Brown Sugar

There are many other good things in this book suitable for simple entertaining: little plain cakes for the afternoon tea party; a delicious caramel ice cream which takes no cream at all; even a few candies for the children (since children must have candy for their health's sake), and Grandmother's candies are both wholesome and economical.

Lantic Old-Fashioned Brown Sugars come in three kinds known by your grocer as *Lantic Light*, *Brilliant* and *Dark Yellow*, but the Brilliant is more generally recommended for the dishes in the cook book.

If you do not regularly use brown sugar in home cooking, buy some to-day and try it. It costs a little less than granulated, it sweetens as well as flavors, and it gives to many simple dishes a delightful flavor that makes them more acceptable than richer foods. Lantic Old-fashioned Brown Sugar is made by the makers of Lantic "FINE" granulated, the sugar with the red ball trademark. We send the cook book "Grandmother's Recipes" for a 2c. stamp to pay for return postage, or for a brown sugar recipe which you have tested and found to be good.

A BIT OF VERSE

"GOD STILL WALKS FREE!"

In ancient, favored days,
Men, anguished, sought freedom for
their souls.
And knelt in desert sands to scourge
With their own hands their bruised
sandskins.
And ate reluctantly the scant, rough
food they found.
And chanted tirelessly their thou-
sands times the prayer,
And beat their brows in dust, and
longed to die.
(Pursed of their sinning sins.)
That so the Vision Pure might dawn
on them.

They found Him not.

Nor met His promised peace.

They saw Him not.

Although the daily dawn their eyes
with glory smote.

Although the stinging processional their
nightly vigils watched.

Meanwhile a Voice cried here and
there.

That, in themselves lay triumph and
defeat—

Easy to Make This Pine Cough Remedy

Thousands of families swear by its
prompt results. Inexpensive.

and saves about \$2.

You know that pine is used in nearly
all prescriptions and remedies for coughs.

The reason is that pine contains several
peculiar elements that have a remark-
able effect in soothing and healing the
membranes of the throat and chest.

Pine is famous for this purpose.

Pine cough syrups are combinations of
pine and syrup. The "syrup" part is
usually plain granulated sugar syrup.

To make the best pine cough remedy
that money can buy, put 2½ ounces of
Pinex (50 cents worth) in a 16-oz.
bottle, and fill up with home-made sugar
syrup. Or you can use clarified mol-
lasses, honey, or corn syrup, instead of
sugar syrup. Either way, you make 16
ounces—more than you can buy ready-
made for \$2.50. It is pure, good and
very pleasant—children take it eagerly.

You can feel this take hold of a cough
or cold in a way that means business.

The cough may be dry, hoarse and tight,
or may be persistently loose from the
formation of phlegm. The cause is the
same—infamed membranes—and this
Pinex and Syrup combination will stop
it—usually in 24 hours or less. Splen-
did, too, for bronchial asthma, hoarse-
ness, or any ordinary throat ailment.

Pinex is a highly concentrated com-
pound of genuine Norway pine extract,
and is famous the world over for its
prompt effect upon coughs.

Reward of substitutes. Ask your drug-
gist for 2½ ounces of Pinex with
directions, and don't accept anything
else. Guarantee to give absolute sat-
isfaction or money promptly refunded.

That in themselves a noble kingdom
spread,
Where God would rule, if they but let
Him in—
That in themselves the well of peace
lay, sealed
By their own deeds, and lost to light
of day.

They listened not.

Or, hearing, deemed it blasphemy.

Until God's time was ripe, and Free-
dom rolled.

Across the world, and set men's
hearts aflame.

"God still walks free!"

His Form majestic loomed
Where fires of conflict raged.

When powers fought
To strike from life His justice and His
truth.

Men could not bind Him by their
dainty skill;

His ardors fired the weakest human
flesh
To end the reign of blind and selfish
might.

He still companions those who follow
where He leads
To freedom of the heart and soul and
mind.

But who of us can dare to call Him
friend?

We, who still toy with our delights,
Who love our languors more than
liberty,

Who think no thoughts but such as
weave themselves
Around this uninspired, this indolent
flesh!

Rouse us to greater vision, God! Let
Freedom mean
Things yet undreamed in this fair
world of Thine!

Let Freedom cleanse and heal its
bitter wounds,

And mold mankind to match The
far-off hope!
