Ayer's
Sarsaparilla
Is widely known
as one of the most
effective remedies
ever discovered for
cleansing the system
and purifying the
blood. It has
stood the test of
years, with a con-
stantly growing re-
putation, based on its
intrinsic virtues, and sustained by its re-
markable cures. So mild as to be safe and
beneficial to children, and yet so searching
as to effectually purge out the great cor-
ruptions of the blood, such as the scrofulous
and syphilitic contamination. Impurities,
or diseases that have lurked in the system
for years, soon yield to this powerful anti-
dote, and disappear. Hence its wonderful
cures, many of which are publicly known,
of Scrofula, and all scrofulous diseases,
Ulcers, Eruptions, and eruptive dis-
orders of the skin, Tumors, Stitches,
Boils, Pimples, Pustules, Sores, Sties,
Aches, Itches, Ringworm, Scald
Head, Ringworm, and internal In-
flammations of the Throat, Stomach,
and Liver. It also cures other com-
plaints, to which it would not be espe-
cially adapted, such as Dropsy, Dyspepsia,
Fits, Neuralgia, Heart Disease,
Female Weakness, Debility, and
Leucorrhoea, when they are manifes-
tations of the scrofulous poison.
It is an excellent restorative of health and
strength in the Spring. By renewing the
appetite and vigor of the digestive organs,
it dispels the depression and listless lan-
guor of the season. Even where no disorder
appears, people feel better, and live longer,
for cleansing the blood. The system moves
on with renewed vigor and a new lease of
life.
