

DRESS GOODS.

THE Dress Goods stock is the back-bone of the business. That is a broad assertion to make, but the fact is absolute. You don't know the possibilities of this store unless you're well acquainted with the endless range of dress materials.

There should be no mistaking our position as leaders in dress goods. 'Twould take unusual adjectives to conjure up the exquisite delicacy that gathers in the shadings and combinations for fall. We have prepared for your wants with unusual diligence, and have now the best selected stock of any house in Canada.

We keep no trash. We do keep everything in dress goods that a self-respecting and complete dry-goods house should have. You can buy plain staples here at the least, and can find the greatest variety.
