

lation to the acts or affairs of such Municipality or Municipal Council are ordinarily posted up.

Terms of sale &c., must be fixed in the By-law and not deviated from.

V. No original allowance for road shall, nor shall the site of any other highway, road or communication, be sold or disposed or conveyed under the provisions of the said Act or of this Act, unless the terms upon which it shall be intended to sell or dispose of the same shall have been fixed and declared in and by the By-law or By-laws for stopping up such highway, road or other communication, so made and passed as aforesaid, nor then for a less sum or on terms less favorable for the Municipality or Municipal Council than those fixed and declared in and by such By-law or By-laws, nor otherwise than subject to all the conditions, restrictions, limitations and provisions in that behalf contained in the said one hundred and eighty-eighth section of the Act first above cited, as amend d. 5 10

Interpretation.

VI. The term "original allowance for road" in this Act, shall include and apply to any part or parts of any such allowance as well as to the whole thereof. 15
