

You Can Buy an Otis-Fensom Freight Elevator for as little as \$70

Some people seem to think that any kind of an Otis-Fensom freight elevator is a costly affair, running into hundreds of dollars.

This isn't so, by any means.

Very likely the best freight equipment for your purpose would cost very little. Yet the saving it will effect will be proportionately as great as the most expensive equipment would afford you.

We are looking for business men who have warehouses, stores, factories, etc., and who do not know the vital economy of a freight elevator.

We want to send such men a copy of our book—

"Freight Elevators and Their Uses"

A Book that Saves You Time, Money, Trouble

With our book of plans in your hand, every difficulty that surrounds building a home vanishes. No longer do you face expensive interviews with architects; no need to get figures from mills and hardware dealers; no hunting for carpenters, etc.

With the book of

Ready-Cut Homes

before you, you simply select from the numerous photographic illustrations the home that suits your purse and meets your requirements—a summer and winter home—delivered to your lot, every piece of wood, etc., cut to size, ready to erect. Regardless of experience, you yourself can do all the work, and save from \$100 to \$1,000. The book is free to prospective home-builders. All we ask is that you send us 6 cents in stamps to cover postage.
