UFO - Force It
 UFO is a heavy hailing from England, consisting of a release, following the "Phenomenon" tight, driving rhythm consisting of a (Drums) and Pete Phil Mogg's raspy out, too. But what this group is the far of German-born guitarist Schenker. He is still pulling off one search after another and the same riff to especially brilliant "Love Lost Love Mary", and the "Flyer". Helped of Years After membership (production) and C (Keyboards), this is hard rock albums I long time.
