December 8, 1930.

Dear Senator Hardy:

I hope you will permit me to write you an expression of very deep sympathy with you in the fearful trial which you must now be suffering. My words are addressed to Mrs. Hardy as well as to yourself, and are inspired only by the thought that possibly the knowledge that kind and considerate feelings are going out toward you from friends and acquaintances through the whole country may alleviate in some small way the sorrow which must now be yours.

I had not the pleasure of knowing Mrs. Rogers personally, but have many friends who knew her well and whose appreciation of her very excellent qualities has been often expressed.

On behalf of Mrs. Meighen and myself, I sincerely tender to Mrs. Hardy and Senator Hardy our very true and sincere sympathy.

Very sincerely,

Arthur Meighen.

Hon. Senator A. C. Hardy,
Brockville, Ont.
