Cancelled Cheques

Referring to your two letters of January 13, may we be informed what cheques C73165 and G32705 represent.

We assume they were annuity cheques but we wish to know the names, Band and Ticket Nos. of the individuals concerned and the years for which the payments were made. This information is necessary so that the cancellation can be noted in our copies of the paylists.

Jules D'Astous,
✓ Chief, Economic Development Division.
