Memorandum for File:

Mr. C. H. R. Fuller, B.A.Sc., President of the National Association of School Administrators (or an organization with a similar title) saw the Prime Minister this afternoon to sound him out about addressing the annual meeting of the Association at St. Louis, Missouri, in October next.

Mr. Fuller is a friend of Mr. George McIlraith. The matter, I understand, is to be followed up in writing, possibly in June.
