One hundred and fifteen quarts of fruit, 30 gallons of pickles, 8 barrels of apples.

## LENTEN SERVICE

The first of the special week day Lenten services was held in Christ Church last night. There was a very good attendance.

Rev. R. McCosh, rector, spoke interestingly and earnestly on the subjects of "Repentance." The great revival now in progress in Wales was referred to and Mr. McCosh urged those present to work and pray for a true revival of religion in their own hearts and among their fellow-worshippers. "Let us," he said, "repent and turn away from everything which is hindering our progress in the divine life. Turn ye even to me," said God, "with all your heart and with fasting, and with weeping, and with mourning." Let each and all obey the voice of God, and that which is so much needed will be graciously bestowed and the power and presence of God will be felt and seen."

## WILL BE THERE

The annual convention of the Ohio and Michigan Photographers' Association is being held in Toledo, Ohio, three days during this month for the purpose of demonstrating all the latest ideas and up to date appliances in the photographic art. ## NEW BUSINESS

Geo. Bartlett and Harry S. Northwood have purchased the Bon Marche grocery business from Chas. Dunn, and took over the business yesterday at noon. Both gentlemen are well known in this city, and both, by a strange coincidence, are graduates of the Malcolmson store. Of late Mr. Bartlett has been travelling for a well-known wholesale house. The many friends of the young firm wish the two promising members every success in their venture in the commercial world.
