Your Floors Need Paint

Paint preserves the wood. Paint keeps floors sanitary and healthful. Painted floors make the rooms bright and cheery. Painted floors are easily cleaned—a damp cloth keeps them free of dust and germs. Paint your floors and thus have them always Spic and Span.

Senour's Floor Paint

"MADE IN CANADA"

is all ready to brush on—anyone can apply it evenly and smoothly. It gives a hard, durable, lustrous finish, that stays fresh and bright, and wears, and wears, and wears. And it costs less to use than other floor paint, because it covers more surface and wears longer.

Senour's Floor Paint comes in 14 beautiful colors, suitable for every floor in the house from kitchen to garret.

Write for a color card, and a copy of our entertaining book, "The House That Jack Built". Written for children, but "grown ups" get a lot of fun out of it. We'll also give you the name of our nearest dealer-agent.

DON'T STOP SPRAYING

It is easier to keep up than catch up. It takes two years for trees to bear after the foliage is destroyed. Remember, too, that dormant spraying is important, and in some states spraying is compulsory. Sprayed fruit is good fruit and good fruit always brings a good price in any season.

Outside Pumps, Nozzles, Valves, Hoses, etc. Easy to get at.

IRON AGE

Bucket, Barrel, Power and Traction Sprayers include 70 combinations, for orchard, field, garden, poultry house and home uses. Our "Spray" booklet shows how you can buy, barrel or bucket sprayer now and build to larger sizes when you need it. Ask your dealer to show this line and write us for "Spray" booklet and our spraying guide. Both Free.

Use in any wagon.
