

KENDALL'S Spavin Cure!

The Best Liniment in Use.

READ THIS!

New York, Dec. 24, 1879

B. J. KENDALL & Co., Gents.—You will please send us six dozen of your Spavin Cure and one dozen Blister, as we are about out. This makes, we think, our last order for this year, and if the demand improves next year as fast as it has this, we think it will outlast any horse liniment (for which a practical cure is sure to follow) ever introduced in this market. We have not heard the first complaint of its not doing what is claimed for it out of the many thousand bottles we have sold. We are perfectly satisfied that there never was anything made to equal it, nor can there be anything to take its place, as it removes the trouble, and no remedy can do more.

Yours, etc.,

C. M. MOSEMAN & BRO
