POOR RECOMMENDATION.

A young Scotchman living in London married a beautiful and talented Englishwoman, of whom he was justly proud. Not long after his marriage he went to Scotland on a flying trip to see an old bachelor uncle.

"Weel, Tammas, ye have gotten a wife," said the old gentleman, "now what can she do, lad?"

"Do!" echoed Tammas.

"Yes, do!" echoed the old uncle, firmly. "Can she sew on your buttons, an' mak your porritch an' your scones?"

"Oh, no; she doesn't know how to do those things," said Tammas. "But she has the loveliest voice that ever you heard. She's a grand singer."

"Hoot, mon!" cried his uncle, indignantly. "Could you nae get a canary in Lunnon?"

NO matter how dirty the children get their faces and hands and their chubby knees and feet, **SNAP will clean them quickly**, without hard scrubbing, and leave the skin soft and smooth.

THE MANHARD HOLSTEIN SALE.

Following are a few of the high-class Holsteins to be sold at the auction sale of Gordon H. Manhard, at Manhard, Ont., on Tuesday, October 17th, 1911.

Any records mentioned are official seven-day butter records. Alberta Maid, record 25½ lbs. This cow is a very persistent milker and a show-ring winner.

Lady Waldorf De Kol, record 24 lbs., is a daughter of Lady Waldorf's De Kol, with six daughters having records over 20 lbs.; Queenie L., record 23.59 in seven days and 46.23 lbs. in fourteen days; Dirkje Pet (imp.), record 22.40 lbs.

Two of this cow's daughters have official records, and milk records of 80 and 86 lbs. per day. Francy Ormsby De Kol, two-year-old record 13.76 lbs.; Francy Oxford De Kol, two-year-old record 12½ lbs.; Lelia Queen, record 21½ lbs.; Aagie Korndyke Queen, record 18 lbs. as a three-year-old; Cassie De Kol, 18 lbs. as a four-year-old; Daisy Methil De Kol Pietertje, record at four years, 19 lbs.

She is a daughter of the great Victor De Kol Pietertje. Canary Queen, record at three years, 20 lbs.; Senora Queen, record 17 lbs.; Nancy Wayne of Riverside, record 17 lbs. as a three-year-old, a daughter of Johanna Rue 4th's Lad, whose five nearest dams have records that average 22.86 lbs.; Retta De Kol Waldorf, record at four years, 17.60 lbs.

Those mentioned are only a fair average of the high-class producing qualities of the entire lot in milk. Space forbids mention of the many high officially-backed sires and dams that figure in their pedigrees. A perusal of the catalogue, which may be had on application, will give full particulars. Thirteen of the yearling heifers to be sold are practically full sisters, all being sired by Lord Carl De Kol, a son of Lord Netherland De Kol, who has 103 A.-R.-O. daughters. The three nearest dams of Lord Carl De Kol have records that average over 20 lbs. each in seven days. Practically all the dams of these heifers were sired by Sir Clothilde Abbekirk Burke, a son of Sir Abbekirk Burke, with 9 A.-R.-O. daughters, and whose pedigree, as well as that of his son, shows high official backing for generations.

Many of these heifers, and others in the sale, will be in calf to King Segis Pontiac Duplicate, a son of the renowned King Segis Pontiac, and out of K. P. Duplicate, whose record at two years and nine days is 21.36 lbs., and seventeen of his nearest female relatives have records that average 31.86 lbs. each, making him on high official producing lines one of the richest bred bulls alive. Others in the sale will be in calf to King Pontiac Artis Canada, a son of King of the Pontiacs, who has 56 A.-R.-O. daughters, two of them with records over 30 lbs. as three-year-olds, and he out of a dam with a 28-lb. record, and she got by Pontiac Korndyke, the sire of the world's two greatest cows. The dam of King Pontiac Artis Canada has a seven-day record of 31 lbs., and a yearly record of 1,076 lbs. Others, again, will be in calf to Natoye De Kol 4th's Korndyke, who is out of a dam with a record of 20.32 lbs., and his sire is Witkop De Kol Korndyke Wayne, whose dam's record is 28.87 lbs., and butter-fat test 4.47 per cent, the whole making an offering of high-class Holsteins that for high production and rich official backing is second to no other lot ever offered by auction in America, carrying as they do the best blood of the breed, and that of the greatest producers the world has ever known. In next week's issue a word will be said of the bull end of the sale.

Some Frenchmen were boasting of their "affairs of honor," when one of them declared that he had inflicted upon an antagonist the most dreadful fate that a duelist ever met.

"How was it?" asked everybody.

"I was at an hotel, and I chanced to insult a total stranger. It turned out that he was a fencing master.

"One or the other of us," he declared, in fearful wrath, "will not go out of this room alive!"

"So let it be!" I shouted in response; and then I rushed out of the room, locked the door behind me, and left him there to die!"
