Acknowledgment from Missionary.

Udyavara P.O., via Mangalore, India. Editor True Witness, Montreal, Canada.

Dear Sir: I am duly in receipt of your express order for \$14.00. I beg of you to convey by means of your esteemed paper my sincerest thanks to all the benefactors who have so kindly answered my appeal.

Such is the plain tale I have to tell, and a sad one it undoubtedly is. We are without a Church, and I have been saying Mass in the verandah of a parochial house of limited dimensions.

Before concluding I have to tell you that since I last wrote to you difficulties of a far more distressing kind have come over me and my whole congregation.

Before concluding, may I not request your charity, dearest sir, to continue publishing my appeal in some of the subsequent issues, in the way you know to be the best?

Pardon me, dear sir, for all the trouble I am giving you, and for the advantage I am taking of your kindness.

A CHURCH CLOSED UNDER THE ORDERS OF A MAGISTRATE.

A Whole Congregation without a Place of Worship.

Dear Sir: Allow me to address to you a humble appeal on behalf of a Catholic Congregation in extreme distress in far-off India.

My congregation of nearly 1200 souls, living amidst heathen and heretic, has just been suddenly deprived of its Church, the same having been closed under the orders of the Magistrate.

The Church—a sorry apology for one—was a modest structure with accommodation for a thousand persons. The building had been finished some thirty years ago.

Such is the plain tale I have to tell, and a sad one it undoubtedly is. We are without a Church, and I have been saying Mass in the verandah of a parochial house of limited dimensions.

Before concluding I have to tell you that since I last wrote to you difficulties of a far more distressing kind have come over me and my whole congregation.

Before concluding, may I not request your charity, dearest sir, to continue publishing my appeal in some of the subsequent issues, in the way you know to be the best?

Pardon me, dear sir, for all the trouble I am giving you, and for the advantage I am taking of your kindness.

RECOMMENDATION OF HIS LORDSHIP THE BISHOP OF MANGALORE.

I cannot sufficiently recommend to the charity of all the very urgent need of the Church of Udyavara, where a whole population is without a place of worship.

of India, St. Francis Xavier, to whom the new Church will be dedicated.

The Mystery Of the Nerves

And the Certainty with which Nervous Diseases are cured by Dr. Chase's Nerve Food

Professional men, as well as laymen, have been puzzled over the mysteries of the nervous system, but this much is certain; that nerve force is created from pure, rich blood, and, with the exception of accidental injuries, diseases of the nerves arise from a thin, watery condition of the blood.

On this principle, Dr. Chase's Nerve Food was prepared, for this great food cure actually forms a certain amount of pure, rich blood every day.

When you cannot sleep well, suffer from nervous headaches and indigestion, brain fog, irritability, trembling or twitching of the nerves, and feel downhearted or discouraged, turn to Dr. Chase's Nerve Food as the most certain means of restoring vitality to the nervous system, and of avoiding nervous prostration, paralysis, or some dreadful form of helplessness.

Dr. Chase's Nerve Food, 50 cents a box, 6 boxes for \$2.50, at all dealers, or Edmanson, Bates & Co., Toronto.
