One language at our mother's knee, One in our Saviour's prayer,-One glorious heritage is ours; One future let us share.

The heroes of our days of old Are yours, not ours alone; Your Christian heroes of to-day, We love them as our own.

There are too many homeless lands, Far in the wild free West, To be subdued for God and man, Replenished and possessed ;-

There are too many fallen men, Far in the ancient East, To be won back to truth and God, From cramping bonds released;

There is too much good work to do, And wrong to be undone; Too many strongholds from the foc That must be forced and won-That we whom God hath set to be

The yanguard of the fight, To bear the standard of His truth, And to detend the right. Should leave the mission of our race.

So high, and wide, and great, On worldly points of policy To wrangle and debate. Nay, side by side. in east and wood, In wild or heathen lands,

One prayer upon our hearts and lips. One Bible in our hands. One in our earliest home on earth, One in our heavenly home,

We'll fight the battles of our Lord Until His kingdom come. -London Magazine.

THE QUEEN AT THE PAPER-MILL The Queen was riding out in her grand carriage, the horses tossing their plumes as if they felt themselves a little better than common teeling that they had somothing royal about

them. The Queen had always had every thing she wanted, and so was quite miserable because she could not think of a want to supply, or a At last she bethought her that they had just

been building a new paper-mill, a few miles out of the city. Now, she had never seen a paper- hear the voice of James Moore, but never see mill, and so she determined to stop a little way his face again. off, there leave her carriage, and walk in, not as a queen, but as an unknown, common lady. more vigorously than before. She went in alone, and told the owner she But he said to himself, "I can gratify the curiosity of this lady, and add to her knowledge; and though I am terribly hurried, yet I will do this kindness." He then showed her all the machinery; how they bleach rags, and make them white; how they grind them into puln; they white; how they grind them into puln; how they make sheets, and smooth them, and dry them, and make them beautiful. The Queen was astonished and delighted. She would now have something new to think about

Just as she was about leaving the mill, she came to a room filled with old, worn-out, dirty rags. At the door of this room was a great multitude of poor, dirty men and women and children, bringing old bags on their backs, filled with bits of rag and paper, parts of old These were rag-pickers, who had picked these old things out of the streets and gutters of the

What do you do with all these fine things? said the queen.

"Why, madam, I make paper out of them To be sure, they are not very profitable stock, but I can use them, and it keeps these poor creatures in bread." "But these rags! Why, sir, they are of all

colors, and how do you make them white?" "O! I have the power of taking out all the dirt and the old colors. You'see that 'scarlet 'and 'crimson,' yet I can make even scar let and crimson, the hardest colors, to remove "Wonderful, wonderful!" said the queen

She then took her leave, but the polite owner of the mill insisted on walking and seeing her safe in her carriage. When she got in and bowed to him with a smile, and he saw all the grand establishment, he knew it was the queen.

"Well, well!" said he, "she has learned something, at any rate. I wish it may be a

her writing-desk, a pile of the most beautiful polished paper she had ever seen. On each cured. This is one of the most important pracpolished paper she had ever seen. On each sheet were the letters of her own name, and her own likeness. How she did admire it! not hurt fresh, green grass, provided that it is little society, and became "strengtheners of the ner own likeness. How she did admire it! got rid of before the grass begins to wilt. In she was a strong theners of the weak " " as those who comfort the mourners;

cimen of my paper, with the assurance that we could see. Rain or dew will not hurt it any it, and the consistent piety of our departed every sheet was manufactured out of the conbacks of the poor rag-pickers? All the filth and the colors are washed out, and I trust the result is such as even a queen may admire. Will the queen also allow me to say, that I have had many a good sermon preached to me in my mill?

I can understand how our Lord Jesus Christ red, the hay will be ready to draw in immediformly cheerful and genial as a friend and comcreatures every where, viler than the rags, and wash them and make them clean; and how, though their sins be as scarlet, he can make them whiter than snow; and though they be drawn into the barn the same them whiter than snow; and though they be sinners may be washed in the blood of the over the cocks, or open them out if necessary, equally suddenly taken to their rest. Lamb, and be received into the palace of the and draw in as soon as dry enough.

Sunday-school Times.

Don't try to quench your sorrow in rum or narcotics when in trouble. If you begin this, you must keep right on with it, till it leads you to ruin; or if you try to pause, you must add physical pam and the consciousness of degradation to the sorrow you seek to escape. Of all wretched men, his condition is the most pitful who, having sought to drown his grief in drink, awakes from his debauch with shattered nerves, aching head and depressed mind, to face the same trouble again. That which was at first painful to contemplate will, after drink, seem unbearable. Ten to one the fatal drink seem unbearable seem trouble again. That which was at first painful to contemplate will, after drink, seem unbearable. Ten to one the fatal drink seem trouble again. That which was at first painful to contemplate will, after drink, seem unbearable. Ten to one the fatal drink seem trouble again. That which was at first painful to contemplate will, after drink, seem unbearable. Ten to one the fatal drink seem trouble again. That which was at first painful to contemplate will, after drink, seem unbearable. Ten to one the fatal drink seem trouble again. That which was at first painful to contemplate will, after drink, seem unbearable. Ten to one the fatal drink seem trouble again. That which was at first painful to contemplate will, after drink, seem unbearable. Ten to one the fatal drink seem to put in a cock. As long as it is duites on Sunday the 7th; and on the next sabbath was laid in the silent grave. She left a husband, seven small children, and an aged and seeble mother to mourn their sad loss. Sathbath was laid in the silent grave. She left a husband, seven small children, and an aged and feeble mother to mourn their sad loss. Sister Sweet was a true Christian, very ki

ately after dinner. red, like crimson, he can make them as wool.' rarely be done. Keep stirring the hay until disposition will for ever be enshrined in the And I can see that he can write his own name about four o'clock in the afternoon. Then rake filial affections, and grateful memories of his upon their foreheads, as the Queen will find into windrows and put into cock for the night. children, all of whom, I trust, will follow him her name on each sheet of paper; and I can If exposed to rain or dew while spread out on as he followed Christ. It will be remembered see how, as these filthy rags may go into the land in this partly cured state, it will be very both his brothers-in-law, the excellent Thomas palace, and be ever admired, some poor, vile seriously damaged. The next morning turn Trueman, and the venerable Snowball were

Lamb, and be received into the palace of the Great King in heaven."—Rev. John Todd, in Sunday-school Times.

A TRUE REMEDY FOR TROUBLE.

A TRUE REMEDY FOR TROUBLE.

Don't try to quench your sorrow in rum or narcotics when in trouble. If you begin this.

A trouble and draw in as soon as dry enough.

Annapolis, July, 1872.

Annapolis, July, 1 Great King in heaven."-Rev. John Todd, in 4th. When grass is cut, and rain sets in

Work is your true remedy. If misfortune hits you hard, you hit something else hard; pitch into something with a will. Theres nothing like good, solid, absorbing, exhausting work to cure trouble. If you have met with losses, you don't work to cure trouble. If you have met with great advantage. A good plan is to cut the Roots and Plants of Nova Scotia losses, you don't want to lie awake and think clover late in the afternoon, and the next about them. You want sleep, calm, sound morning, as soon as the dew is off, shake it out sleep, and to eat your dinner with appetite. with the tedder. Then, in an hour two, rake it But you can't unless you work, if you say you into small windrows, five or six feet apart with don't teel like work, and go loafing all day to a steel toothed rake. Turn these windrows tell Dick and Harry the story of your woes, with a fork, say once before dinner, and then you'll lie awake and keep your wife awake by immediately after dinner. About 3 or 4 your tossing, spoil your temper and your o'clock, rake into larger windrows and cock up breakfast the next morning, and begin to-mor- carefully for the night. If necessary spread it breakiast the next morning, and begin to morning and turn it over in an out the next morning and turn it over in an hour or two. That which was opened first will

The failings of good men are commonly cases of mental and moral disease. It operates more published in the world than their good and we assure you that we have taken a large shall meet with more reproaches, than all his quantity of it with most beneficial results. It virtues praise: such is the force of ill-will and
