Wannamaker, also of Murray. While the sweet notes of the wedding march rendered by Miss Marion Frappay, a cousin of the groom, floated through the rooms, the bride, leaning on her father's arm entered the parlor and took her place beside the groom under a beautiful array of evergreens. The inquest of the death of Delbert Ellis at Glen Miller, who lost his life through the burning of his home, was held in the town hall, Trenton recently, by Coroner Farley and jury. Crown Attorney Carney prosecuted the case on behalf of the crown. Some twenty witnesses from Glen Miller were examined. These witnesses brought forth the fact that he came to his death by being under the influence of liquor, while lighting a lamp, which it is presumed tipped over, setting fire to the house, he being unable to get out of the building.

The Canadian National Features Co. are making progress with their building. The basement and first storey are built up, and if the weather remains fine, an early completion is expected.

Trenton is up a gainst a great problem just now and it will be growing worse in the scarcity of houses. Every available house and room are taken up in Trenton. We are keeping away a very desirable class of people who cannot find house accommodations or rooms. Here's a chance for house builders to engage in a good business proposition. Something will have to be done on this line, or trains will be secured to bring workmen from other towns morning and evening. This proposition has, we understand, been put up to our railways. Will Trenton suffer for the lack of houses?

At the regular service at King St. Church last Sunday evening, the Rev. Major Campbell preached a fine and instructive sermon. Following the sermon the Honor Roll containing the names of members and adherents of King St. Church who have enlisted, was unveiled by Mayor Ireland, who read the names of some sixty. He then read the list of those from Trenton and vicinity who had made the supreme sacrifice, the congregation standing while the organist played the Dead March as a tribute of respect to those who had fallen. A Canadian flag was presented to the adrian flag was presented to the church by the Ladies Bible Class and under its folds the Honor Roll hangs where it can be seen at any time. Following is the list of those who have made the supreme sacrifice:

DODD'S KIDNEY PILLS CURED HIS RHEUMATISM.

Mr. D. A. Richardson Tells How His Rheumatism Disappeared Over a Year Ago and Has Never Come Back.

Victoria Harbor, Ont., Jan. 8.—(Special)—Cured of rheumatism over a year ago by using Dodd's Kidney Pills, Mr. D. A. Brotherton, a well-known resident of this place, is still singing the praises of the great Canadian kidney remedy.

"I was troubled with rheumatism in my left hand, which would shift to my elbow and then to my shoulder," Mr. Brotherton says. "It was very annoying and painful at times, but I heard of Dodd's Kidney Pills helping others so I quit the liniment I was using and took six boxes of them. The rheumatism disappeared. That was over a year ago, but it has not returned."

"I know Dodd's Kidney Pills are good for kidney trouble both in my own case and through others who have used them." Rheumatism is caused by uric acid in the blood. If you cure your kidneys by using Dodd's Kidney Pills they will drain all the uric acid out of the blood and there can be no rheumatism.

The St. Julien Chapter received \$5.00 from the children of Queen Alexandra School the result of their first paper collection. The Chapter is endeavoring to raise money by collecting old paper, and is quite encouraged by the help given by the Queen Alexandra School. It is to be hoped the children of the other schools will follow the good example for it is only by the co-operation of the children bringing the papers to a few central points that the scheme can be worked successfully. It is hoped the parents will second their efforts by reminding the children about regular collection and thus augment the fund for carrying on the work for overseas both for hospital and trench supplies. L. Cohen, 345 Front St., has made very satisfactory arrangements for shipping the paper. A special committee of Chapter members has been formed and it is to be hoped our citizens will support their efforts.

The Trinity University Review, Toronto, in its Christmas number, 1916, contains a very favorable and complimentary resume of the literary work of Mrs. Charlotte Carson Talcott, of Bloomfield, Prince Edward County, Ontario. The Review also refers to the fact that Mrs. Talcott has at various times contributed poems to its columns and also that the University preserves in its chapel a beautifully illuminated and handsomely framed copy of her Coronation ode.—The Gazette.

Miss Warren, of Flesherton, has been engaged as assistant continuation school teacher and assumed her duties on Wednesday.

A very enjoyable dance was given at the Ontario House, Stoco, on Friday night last. There were about 100 couples present.

An attempt at intimidation on election day is just to hand, but owing to the fact that it was unsuccessful further comment is hardly necessary.

Miss Mollie Laffin left on Tuesday for Belleville where she will take a course in Belleville Business College.

Her sister, Miss Jennie, accompanied her to the city.—The Advocate.

There is a fine exhibit of poultry at the January show, at the Pictou Armouries, which is being held this week.

The Show opened yesterday with a fair crowd in attendance. The main floor of the Armouries is being utilized for the show this year, and it certainly is an excellent place for the exhibit.

A motor show is being held at the Armouries at the same time. The cars exhibited are: McLaughlin, Oldland, Maxwell, Gray-Dort, Ford and Chevrolet.

Deputy Sheriff D. J. Barker has this week received the appointment of Sheriff of Prince Edward County. Mr. Barker's appointment was made necessary by the resignation of Sheriff James Gibson, who, through failing health, had become unable longer to perform the duties of his office.
