Mr. Stewart comes among us with the highest recommendations as a public officer, and we have no doubt that the old-time popularity of this house will be well sustained under his management. Mr. Stewart returns after having served a quarter of a century, and will probably spend the remainder of his days in his firm in the township of Elton, who is to be succeeded by Mr. J. K. Keegan, of Port Elgin, who is a well known and respected citizen of this town. We understand that Mr. Keegan is about to open a tobacco store and ornamental wood-carving business on Wallace street.

FIRE.—At an early hour on Friday morning last a fire broke out in the rear of the residence of Mr. T. E. Hay, at the rear of his horse and cow, several sets of harness, a cutter, a quantity of hay and other articles were burned. The fire was discovered in time to save the house. It was only by the strenuous efforts of Mr. Hay's residence was protected from the devouring element. For some reason the engine until it was too late to be of any service. If the want of an effective system of alarm was the cause of this disaster, then no time should be lost in providing the remedy, as it is a waste of money incurring the expense of maintaining a fire engine which is not of any use.

The presentation was in the form of an address, accompanied by a purse.
