## A CASE IN WEST ARCHAT.

Mrs. A. P. Ferguson, a well known Cape Bretoner, has cured asthma by Catarrhones. Her statement is convincing: "Although I was troubled for years it was only recently I tried Catarrhones. When an attack started I got out my inhaler and invariably got relief. Feeling satisfied Catarrhones would cure, I continued the treatment until one bottle was finished. I didn't use more because I was cured and the asthma has never returned." Catarrhones is sure death to asthma and bronchitis. Try it and be convinced. Two sizes, 25c. and \$1.00 at all dealers.
