## PROVINCE OF SASKATCHEWAN

Formal Act of Transition Took Place on Labor Day.

Lieutenant-Governor Forget Sworn In—Earl Grey and Sir Wilfrid Laurier Reviews the School Children—A Grand Parade Which Included a Cavalcade of Mounted Indians—A Message From King Edward.

Regina, Sask., Sept. 5.—Conditions could not have been better for yesterday's inaugural celebration, and the whole affair passed off with a swing that does infinite credit to Regina. Great crowds assembled from all parts of the new Province to witness the formal act of transition, and the capacity of the city has been taxed to the utmost. In perfect weather the proceeding opened at 9 yesterday morning by a review of school children in Victoria Park by the Governor-General and Sir Wilfrid Laurier.

The vice-regal party then witnessed a grand parade, headed by the 90th Band and Regiment of Winnipeg, of which perhaps the most notable feature was a cavalcade of mounted Indians trapped out in war paint and finery, a gorgeous survival of the picturesque past. Coming close behind, the pioneers of 1852-55 presented a sober but not insignificant appearance. The parade took its way to the exhibition grounds, where a strong and perfectly mounted force of Mounted Police were in waiting with their battery.

LIEUT.-GOVERNOR FORGET.

A central stand had been erected in front of the grand stand for distinguished visitors, and at high noon, after the combined mounted and line troops had gone through a series of movements, the new Lieutenant-Governor, Hon. A. E. Forget, was formally sworn in by J. J. McGee, Clerk of the Privy Council at Ottawa. A Governor-General's 21 gun salute was then fired by the police battery, accompanied by feu de joie from the 90th Regiment, thus formally issuing in the new Province of Saskatchewan.

In reply to the civic address, Earl Grey said that it would be his privilege to convey to His Majesty's troops and their devotion to the Queen. He had listened with interest to the story of the development of Saskatchewan, and he shared the belief that this Province would furnish happy homes for millions of Britons.

From the King. His Excellency then proceeded to read telegrams from Prince Louis of Battenberg, Colonial Secretary Lyttelton and King Edward. On proceeding to read the latter Earl Grey was interrupted for some time by sound after round of applause. The cablegram was dated from Marienbad, and read as follows:

"Accept my best thanks for your cable. Am deeply gratified by expression of loyalty on part of newly organized Northwest Provinces. Pray convey to them my earnest wish that great prosperity may be in store for them."

Signed, EDWARD R. and I. The luncheon tendered by the civic authorities was a successful affair, covers being laid for 150 guests. Responding to the toast Earl Grey complimented Regina on her unique position in the wheat belt, and referred to Alberta and Saskatchewan as "new leaves added to the maple crown."

Sir Wilfrid Says Sacrifice. Sir Wilfrid spoke in his customary excellent after dinner vein, lightly touching on controversial questions. He concluded by saying that we were all working for a common purpose and common national destiny. Differences of opinion must occur when some of us are called upon to lay some sacrifice of the altar of country.

Sir Gilbert Parker followed in an optimistic strain, and Hon. David Laird, the first Lieutenant-Governor of the Territories, reviewed the pioneer period and said that there was no necessity to erect a wire fence between Canada and the friendly republic to the south.

Last night a state banquet was held at Government House, at which all visitors were present. This was followed by the state ball and reception at the auditorium rink, while fireworks and illuminations in the city brought the day to a happy close.

Among the visitors are: Lieut.-Gen. French, William Mackenzie of the C. N. R., C. G. Chisholm, Commissioner of Hudson Bay Co.; Byron E. Walker, Cawthra Mulock, Toronto; Dan McGillicuddy, Senators Perley, Davis and Ross; N. W. P. Commissioner Perry, J. K. Walsh, Montreal, members of Parliament; D. W. Bole, W. F. Maclean, Dymont of Algoma, Lamont and others.

### MR. RUTHERFORD CALLED ON.

Will Form the First Government of Alberta Province.

Winnipeg, Sept. 5.—Lieut.-Governor Bulyea has called upon Mr. A. C. Rutherford, President of the Liberal Association, to form the first Government of the Province of Alberta. He will announce his Cabinet this week.

## WILL THEY GET IT?

Council to Hear the Objections to Granting Charter to New Railway—Harvey St. Protesters

An important meeting of the City Council will be held next Monday night. The statute which governs the granting of franchises to such concerns provides that, before a franchise is granted to an electric road which does not ask for a bonus, those who protest against the granting of the charter shall so signify their intention and shall be heard by the Council of the corporation from whom the franchise is desired.

In pursuance of this provision the ratepayers on Harvey street filed a petition against the granting of a charter to the new Windsor, Essex & Lake Shore Railway to run along that street. At a special meeting of the Council to be held a week from next Monday night their protest will be heard and the advisability of granting the required charter considered.

The railway asking the charter will be represented in the person of their solicitor, G. J. Leggett, of Windsor.

parts. These stately mademoiselles wore light pink dresses of the Louis Quatorze style, large black hats. The powdered hair and longnettes added the touch necessary to make one imagine he was translated to a French saloon of that period.

BELLES.

These sixteen young ladies were quite what their name implies and performed a bewitching dance garbed in large red hats, white dresses and brown stockings with a sandal effect.

### GAITY GIRLS.

These seven young ladies provided a select part of the evening's program. Miss Riva Scogman also taking the solo part in this in her own accomplished manner.

### THE NATIONALS.

Another touch of patriotism was added by the Nationals in a well executed drill.

### THE MANDYS.

Here the stage was again darkened. This time it was not by lighting effects but by the appearance of Misses Montgomery, Denis and Lewis as coy dusky maidens and Messrs. H. S. Pritchard, Fearman and Merkel as the corresponding males. The girls, with great difficulty, gained sufficient control over their trains to do the ballet steps but the way hairpins were scattered over the stage was dreadful. A regrettable feature of the affair was the fact that Miss Frank Dennis "had just washed her hair and couldn't do anything with it." All were the recipients of boogies. They ducked when they saw them coming, thinking, perhaps, it was garden produce. Harold McDonald made a hit in the solo part.

### THE HUSSARS.

This piece brought a bright program to brilliant conclusion. The stage appearance of the chorus was magnificent and their drill perfectly and rhythmically executed. The full chorus appeared on the stage at its conclusion and sang "Listen to the Band" before the curtain finally rang down.

Dodd's Kidney Pills doing Good Work around Port Arthur

Mr. Dick Souvey and Wife Both Had Kidney Troubles and the Great Canadian Remedy Cured Them.

Port Arthur, Ont., Sept. 4.—(Special)—That Dodd's Kidney Pills cure the kidney ills of men and women alike has been proved time and again in this neighborhood, but it is only occasionally they get a chance to do double work in the same house. This has happened in the case of Mr. and Mrs. Dick Souvey, a farmer and his wife, living about seven miles from here. In an interview Mr. Souvey said—

"My wife and myself have used Dodd's Kidney Pills and have found them a big benefit to our health. We had a gripe two winters and were exposed to much frost and cold. Our sleep was broken on account of urinary troubles and pain in the kidneys. We each took six boxes of Dodd's Kidney Pills and now enjoy good health."
