

ARMISTICE DAY 1918 - 1924

"CEASED FIRING!" Six years ago next Tuesday at eleven o'clock, those momentous words resounded over the almost unending battlefronts of that day. Almost instantly, the battlefields reverberated the thundering hurrahs of the fighting men who had conquered in their struggle to preserve the peace of the World.

The four winds caught the unfettered spirit of rejoicing and carried it to the corners of the earth. And the whole world joined in a tumultuous expression of joy and gratitude for deliverance from the War's Caldron of Sorrow. The Day was aflame with the thrill of Victory--the Victory of Pesce!

On this Armistice Day of 1924, let us---Citizen of Wolfville---commemorate that glorious Day by observing next Tuesday in a fitting manner. Let us display the Flag at our homes and places of business--in honnr of those valiant living and dead who fought for the honor of their County and for the protection of our homes and loved ones

And let us pay added respect to those sleeping boys who so unselfishly made the Supreme Sacrifice---by giving them two minutes of reverent silence at eleven o'clock Let us show the world that---
