TEACHERS AND TRUSTEES

To the Editor of The Observer,

Sir,—Your readers will doubtless remember that at the trustees' convention which met a few months ago, a statement was made that some teachers had deceived their trustees by representing to them that the minimum salary required by the Act was exclusive of the government grant to teachers, whereas it is inclusive of the same. It was further suggested that the Teachers' Association should take some action in this regard.

Believing that this matter, involving as it does the bona fides of the teachers, should be investigated, the secretary of the association on consultation with the president, sent out to the members of the executive a circular requesting them to make diligent enquiry as to whether any well authenticated cases of this kind had occurred in their district, and to report same.

At the recent meeting of the executive all the members reported that no instances of the kind charged had been discovered. As the members of the executive come from all the counties of the province, it would appear that the number of cases where such deception has been practised has not been great.

In order that it might not be an ex parte investigation, it was resolved that the president write a communication to the leading newspapers of the province, inviting any person who has knowledge of any case of the kind mentioned above to report the same to A. S. McFarlane, Esq., secretary of the N. B. T. A., Fredericton, N. B.

As president of the association I call upon all persons having authentic information concerning this matter to act in accordance with the above resolution.

BERTON C. POSTER,
President of the N. B. T. A.

MRS. ELIZA CARMICHAEL

After an illness extending over several weeks Eliza, widow of the late Robert Carmichael, passed away at the home of her son Deacon J. F. Carmichael, Good Corner, on Wednesday morning, April 12.

Mrs. Carmichael had reached the advanced age of 86 years. She was born at Williamstown, a daughter of the late John and Rebecca Pryor on Apr. 6, 1836. She was baptized by Rev. Jos. Harvey a great many years ago and was loved and esteemed by all who knew her.

Mrs. Carmichael leaves to mourn, besides a large circle of friends, two sons—John, of Good Corner and Charles, of Robinson, Me., and one daughter, Mrs. Aaron Doherty, of Tracey Mills, fifteen grand-children and twenty great grand children; two brothers also survive. One son George of Bridgewater predeceased his mother a few years ago.

The funeral was held on Friday afternoon, April 14. Rev. H. R. Bell spoke comforting words from Rom. 14:7. She was laid to rest by the side of her husband who predeceased her nearly thirty-eight years ago, in the Carvell cemetery.

The floral offerings, especially a spray of roses and carnations were very beautiful.

POPULAR UP RIVER COUPLE MARRIED

On Tuesday afternoon there was great rejoicing in Bristol when Miss Zola B. Giberson was united in marriage to William A. Simonsen of Florenceville. The young couple have spent all their lives in this section of country and therefore had a large circle of friends who were interested in the happy event. Miss Giberson was visited at her home some days ago by the representatives of the Bristol United Baptist Sunday School of which she had been the faithful organist for some years and presented with a beautiful tea service and the prayers and good wishes of all her Sunday School associates. A few days later she was treated to a popular shower of valuable necessities for her new home.

Mrs. E. R. Merich being the hostess on the occasion. Mr. Simonsen, who left Carleton county two months ago to establish himself in the dairy business in Moncton, where he bought a large farm and stock returned to his father's home last week-end and Saturday night he was invited to meet his former fellow members of the Young Peoples' Bible Class of the United Baptist church. After an evening of games and merry making, E. F. Smith, teacher of the class, called Will to the carpet and in a very happy speech gave him some good advice as he started upon the great venture of matrimony, and also presented to him as a token of goodwill and wishes from his friends a beautiful cut glass water set. In his reply Mr. Simonsen revealed that he would be able to appreciate all the responsibilities of the new relationship with the lady whom he had been trying to understand for the past four years. Refreshments were served by the ladies.

The young people were married at the bride's home in the presence of a few intimate friends and relatives, by Rev. I. W. Williamson. Miss Giberson
