## TITLE BOUTS ARE BARRED IN MICHIGAN

Governor Writes Benton Harbor Minister Who Protested Against Johnson Bout.

[Associated Press by Leased Wire.]  
Benton Harbor, Mich., March 5.—Governor Alex. J. Goresbeck will prevent title boxing matches in Michigan in the future, such as the Dempsey-Miske fight here last Labor Day, according to a letter from the Governor to Rev. Paul Yound, a local pastor.

The letter, received yesterday, was in reply to the pastor's protest against the proposal to bring Jack Johnson here for a bout next summer.

The Governor's letter was taken to mean that Jack Dempsey will not engage in a championship fight in Michigan.

Promoter Floyd Fitzsimmons has been known to favor such a match in the state during the coming season.

## Canadiens Can Clinch the Second Half Honors in the National League Tonight

To Play Ottawas at Montreal Tonight and St. Pats at Toronto Monday

PLAY-OFF GAMES ARE EXPECTED NEXT WEEK

Ottawa Expects First Game of Series to Be Played at the Capital on Thursday.

[Canadian Press by Leased Wire.]  
Montreal, March 5.—Canadiens of Montreal play Ottawa here tonight in the National Hockey League.

Ottawa, the winners of the first series, have nothing at stake in tonight's game unless it is a preference for a playoff against St. Patricks of Toronto instead of a clash against Canadiens.

If, perchance, Canadiens lose to Ottawa tonight they must conquer St. Patricks at Toronto on Monday night, not such an easy task if there is a championship at stake.

On the other hand, if Canadiens win tonight, they can lose Monday's game and be winners of the second half series because, while they and St. Pats will be even on the score of games won and lost, the issue will be determined on the goal average per game. On this basis Canadiens have a comfortable margin.

The National League meet tonight to arrange for the final championship games.

It is expected the meeting will also decide the controversy as to which club "Cully" Wilson belongs.

Thursday, March 10th, and Saturday, March 12th, have been suggested as dates for the playoff and Ottawa reports say the first game will be played there.

The winners of the playoff will meet the winners of the Pacific Coast League for the Stanley Cup and world's championship.

COAST TEAMS PLAY UNTIL MIDNIGHT

Victoria and Seattle Then Was Still Tied, So the Game Was Called Off.

[Canadian Press by Leased Wire.]  
Victoria, B. C., March 5.—With the score standing four all at the end of the third period, Seattle and Victoria went through three overtime periods here last night without deciding the issue. At midnight, after the players agreed to go another frame, officials called the game off and it will likely be played over again.

CURLERS RESUME PLAY AFTER THAW

Marysville Rinks Will Play Here Tonight—St. Stephen Coming Next Week.

In spite of the past week's warm weather and bright sunshine, curling is being resumed at the Fredericton Curling Rink this afternoon and evening.

Four rinks of Marysville curlers are expected at the rink tonight to play the rubber game in a series which has resulted in two victories for the Marysville Club and two for the Fredericton Club. The rinks that played last Saturday night will probably meet the same opponents this time.

The St. Stephen Club are said to be preparing for their trip here, which was postponed last week because of the thaw and it is probable they will arrive here on Tuesday or Wednesday.

The final matches to decide the winner of the Management Committee Series, which has been carried on all season, will probably be played Monday night, if the ice is in good condition. The four skips who lead the two sections, H. H. Hagerman, Judge Linerick, T. A. Belmont and A. S. McFarlane will select their opponents by a draw and the winners of the two matches will then play off.

Whether the "Wee Neilly" planned for last Wednesday will be played during the coming week will depend largely upon whether the ice holds out.

## LONE POINT WIN FOR U. N. B. BASKETEERS

Lured Perth-Andover Team by Score of 34 to 33 at Perth Last Night.

THE U. N. B. CO-EDS ALSO WON THEIR GAME

Randolph Bennett, the Former U. N. B. Player, Stars for Perth-Andover Team.

[Special despatch to The Daily Gleaner.]  
Perth, N. B., March 5.—The U. N. B. basketball team defeated the Perth-Andover team here last night by one lone point, the score standing 34 to 33 at the close of one of the most hotly contested basketball games seen here this season.

The game promised to be a good one and held the interest and enthusiasm of followers of the sport who were present at the Spectator Theatre from the start to the finish.

The local basketball team started off with a swing, obtaining several tallies before the U. N. B. boys awoke to the fact that they were facing a team as good as their own, but when they did wake up they secured several field goals which put them in the lead, the score standing 15 to 13 in their favor at the close of the first period.

Willet, Dummer and Trimble, for the visitors, played steady games, the former excelling in his shooting, while Bennett was clearly the star of the local team, his shots reaching the basket on nearly every occasion.

C. B. Burden, of Fredericton, who accompanied the U. N. B. team, handled the whistle and proved a very satisfactory referee. Many of the U. N. B. goals were obtained on fouls awarded against the local boys and these on nearly every occasion proved successful.

The Co-eds Won, Too.  
The U. N. B. Co-eds' team also proved the victors over their opponents, winning out by a score of 23 to 5 in a very much one-sided match.

They excelled their opponents in team play and basket shooting and led by a good comfortable margin through all stages of the game.

Co-eds—Forwards, Miss MacRae, Miss Turner; centre, Miss Tracey; defence, Miss Christie, Miss Woods; spares, Miss Hanson, Miss Jeffrey.

Perth-Andover—Forwards, Miss LaFrance, Miss Wootton; centre, Miss Scott; defence, Miss Howlett, Miss B. Rogers; spares, Miss McPhail, Miss Black, Miss J. Rogers.

Classified and new transient advertisements of moderate size will be accepted until 12 o'clock noon on the day of publication, but all received later than the hour named will have to be carried over until the following day for insertion.

Telephone calls for The Gleaner regarding advertising should be made to No. 215-11.

Whether the "Wee Neilly" planned for last Wednesday will be played during the coming week will depend largely upon whether the ice holds out.

## Lamping Bill Sharen

W. H. GOCHER, SECRETARY OF NATIONAL TROTTERING ASSOCIATION, DISCUSSES THE FREDERICTON BRED TROTTER NOW IN THOS. W. MURPHY'S STABLE—OPINIONS OF WELL KNOWN NEW BRUNSWICK AND MAINE HORSEMEN AS TO WHETHER HE WILL MAKE GOOD ON THE GRAND CIRCUIT.

[By W. H. Gocher.]  
All of the horsemen in New Brunswick and the potato country, which is the trade name for Arcostook county, Maine, are discussing the chances of Bill Sharen duplicating the showing of Peter Manning on his trip through the Grand Circuit this year. While at Presque Isle, attending the meeting at which the Maine and New Brunswick Circuit was organized, I met Frank Murchie, one of the delegates from St. Stephen. He purchased the horse from S. J. Boyle, of Fredericton, for \$2,000 in the spring of 1920, and sold him for \$25,000 to Thomas W. Murphy.

"I expect Bill Sharen," said Murchie, "to trot a mile close to two minutes this year. When you and I saw him in Boyle's stable about a year ago that horse did not look like one that was being prepared for an active campaign. He was logged whenever his owner felt like it. The day we saw him in his coat still showed the harness marks from his last cutting, a couple of days prior to our visit."

"In his last race at Woodstock, where Bill Sharen was started against the free for all pacers in this part of the world," continued Murchie, "he took the word in the first heat in third horse place. Zom Q. was at the pole and almost all of the spectators supposed that he would stand the Sharen horse on his head before they passed the quarter pole."

"The pair were at top speed when the word was given. Carroll rushed his horse off at a two minute gait. I did not catch the first eighth. Sharen showed in front as the pair swung into the back stretch and he had a comfortable lead at the quarter in thirty and a half seconds. The half was passed in 1:03 1/2 and the mile finished in 2:11 1/2 with Bill Sharen still in front."

"When racing Bill Sharen can be controlled as easily as an ordinary road horse. Peter Carroll drove him in all of his races last year and while he lost several heats I never saw him flattened out except in the first heat of the free for all at Woodstock."

"I know that he could have trotted the Woodstock track in 2:03, possibly a second faster. With the four seconds allowance for a mile track and two or three seconds for the careful preparation which Murphy will give him and his skill in driving, I look for Bill Sharen to race as fast or faster than Peter McManis. In a trip against the watch he should prove a two minute trotter."

Terry Monahan, of Fredericton, who saw Bill Sharen in almost all of his races, is also very enthusiastic over this horse's chances in 1921. "When speaking of him," he said, "that horse has all the qualities which go to make a good race horse. He is sound, has perfect manners, and is easily controlled. He has never been stretched in any of his races and had all of the heats in which he did not make breaks won before passing the quarter pole. Murphy will not be very apt to race him out in front like Carroll. By saving his brush to the last quarter of the heat, if he races where the whip cut into him on the trip."

Some Maine Opinions.  
A number of Presque Isle and Houlton horsemen who saw Bill Sharen race frequently do not rate him as highly as the Canadian neighbors. After referring to the breaks which he made in several of his races and the losing heats which were charged up to him, one of them said Carroll drove the horse on a very loose rein. In fact, he never seemed to take hold of him, while after the last heat at Woodstock one of his sides showed four or five ridges where the whip cut into him on the trip.

Another clever observer remarked that in his races Sharen showed that he could break and catch without losing anything, but as he laid over his fields at least three or four seconds in all of his races, except the first at Fredericton and the last at Woodstock, that showing could not be considered reliable as no horse can trot where he will have to go on the mile tracks and make mistakes and win. Those who saw Peter Chenault in his races have not to be reminded of this detail.

The same man also said that he did not look for Bill Sharen to make as much improvement on the mile tracks as many anticipated. He did almost all of his fast trotting on the turns where the ordinary performer is hampered, instead of on the stretches. In other words, he rated him like Blinworth or Harry J. S., both of which could trot a half-mile track as fast as the larger ovals.

Another horse owner who has been following the trotters for a number of years and owned several good ones remarked that the pacer Lady Grattan from the same stable could have defeated Bill Sharen in the Woodstock race. After the first half in the first heat she took care of Zom Q. while Sharen paraded out in front. He also added: if she could not do it, she was a rather poor purchase at \$7,500, as a pair that could not beat 2:11 1/2 over a half-mile track would look rather limp in a Grand Circuit engagement.

His Breeding and Career.  
As Bill Sharen, if he does not meet with a backset in training, will be one of the most talked of horses in this year's campaign, it might be added that he was bred by S. J. Boyle of Fredericton. He was sired by Captain Aubrey, a son of Peter the Great. Norrway W., his dam,

was taken to Maine by B. D. Timmer. She made her record of 2:18 1/2 at Houlton in 1914, being in foal at the time. Lookaway, her sire, was a grandson of Nutwood, while her dam was got by Sir Walter Jr., who is also credited with the dam of the champion trotter Uhlman, 1:58.

Bill Sharen was broken and developed by the man whose name he carries. His turf career was started in 1919 when as a four year old he won seven races in twenty-one heats and closed the season with a record of 2:16 1/2. In 1920 he took the world in twelve races and won all of them. His first start was made on July 29 at Fredericton when he won in 2:11 1/2, 2:11 1/2, 2:12 1/2, after losing the first heat to Brage in 2:11 1/2. This race was followed by straight heat victories in slow time at Chatham and Moncton. He was then shipped to Springhill, Nov. Scotia, where Bill De Sure won two heats from him in 2:15, 2:16 1/2, before he showed in front and won in slower time, the fifth heat being trotted in 2:22.

Bill Sharen's next start was made at Houlton, Maine, in a field of seven. He won the first two heats in 2:15 1/2, 2:15 1/2. The next two went to Delta Patch in 2:15 1/2, 2:15 1/2, and the fifth to Sharen in 2:16 1/2. He acted a trifle sore in this race. At Presque Isle the following week, Sharen won in straight heats, the third being trotted in 2:14 1/2. From that point he moved on to St. Stephen, N. B., where he picked up two races in six heats. He also won again the following week at Fredericton in time which on paper looks like the best race of his career. The time for his three miles was 2:11 1/2, 2:12 1/2, 2:11 1/2.

After this race Bill Sharen was shipped to Prince Edward Island and started in two races. Both of them were won off the reel. In the last heat of the second race he also placed the Island record for trotters at 2:11 1/2. This race was followed by his battle with the pacer Lady Grattan, Fern Hal and Zom Q. at Woodstock, where Bill Sharen won his twelfth race in 1920 in 2:11 1/2, 2:12, 2:12 1/2. In his two campaigns Bill Sharen won nineteen races in sixty-two heats and pulled up with a record of 2:14 1/2, which he made in five of his winning heats.

## M'ADAM BOWLERS SPLIT EVEN HERE

Palace Seconds Won the First Game, Changed Their Team and Lost Second One.

The Palace Bowling Alley last evening was the scene of two lively bowling matches between the McAdam team and a team from the local allies, in which the teams broke even, the Palace Juniors winning out by one point over their opponents in the first match, while the McAdam team came back strong, defeating the Palace Seconds in the last game by a total score of 1348 against 1240.

The first match was an exciting one, the interest growing more and more in the last string, as either team by an extra good string could have carried off the victory. However, the local boys won, but changed their team somewhat in the second match and lost out.
