Civil Service Reform. Touching on subjects of general in

In England. Members of parliament should have no hand in making appointments to the public service. Nine-teaths of the time of the Liberal members of the present day was taken up in finding appointments for favorites in their colors and with the just recognition by the Department of Public works, were enabled to "make good" their promises and convictions.

The refused and explained exactly what the instructions of Lake, Qu'Appoint of the civil servant should be another than the instruction over the matter and had been net to criticize the conduct of the company. And jumping to his feet stated that he supposed the only way a man could supposed the only way a man could

like that was to take him out in the road and punch his head.— Alderman Manery then took the floor and got after R. B., stating he never had been approached by any person in the telephones, he quoted Gladstone to gance of this sort will be sufficient to the matter, but later on changed this the effect that every argument in favor make this item in the Globe's policy.

> The last plank of his platform was the the operation of corporations and enrce effective state control over national enterprises which cannot for many ears be acquired and operated by the public. His immediate plea was to enarge the membership and increase the powers and functions of the present rail-way commission which he styled the manufacturers of Canada, if the

repealing of the Franchise act. They rageous and scandalous manner. He harged dishonest expenditures of pubc money, indecent appointments to ublic office, corrupt elections. The meral machine in Ontario had estabished a pension fund for the protection f elect threves while criminals, and neves were given public appointments Mr. Borgeron was introduced as an elo uent man. He was proud of the pecvarned the electors to see that their own allets were placed in the box at nex' lection. He was going to advise his people to shoot the first man who put and on the holy ballot box in his ridng and denounced the Liberal member ted that the government had no duced the public debt and that Si ohn MacDonald went through the west 1891 to save the British Flag from be

> THE WAR ON THE C.P.R. MONOPOLY.

peg morning papers both gave spe al prominence vesterday to wester the C. P. R. in cutting off the new ervice at Nelson. The Free Press re urns to the fray editorially under the neading, "The Fight Against Monop d in the Toronto Globe that the C. R. Telegraph Company has cut off its service from the Nelson (B. C.) News because the newspaper critiised the corporation is true. Else here we publish a statement from ne News which confirms the Globe' tatement. It is not so many years ince a C. P. R. official waited upon e editor of the Free Press and told im in plain English that if the pa per's editorial course was not made nore acceptable to the railway it would be deprived of its news serv e. A more or less polite invitation take himself and his news service lsewhere was followed by no seriou onsequences. But in the case of the lelson News, less favorably situated , the corporation had no hesitation taking the newspaper by the throat the W. A. P. to furnish it with lied and the News has thus been ble to continue furnishing the news its patrons. Three months ago the News would have been helpless. The ould have killed the paper then. With the Western Associated Press in ne field the C. P. R. could not de rive the News of a service. - All i as power to do is to pile on the toll ind make the service as costly as pos ible. It is doubtless living fully up o its opportunities in this respect. The experience of the Nelson News n newspaper that the Western As ciated Press is their only safeguard gainst the corporation. The Winning newspapers can afford to treat th P. R.'s hostility with contempt hat corporation has no monopoly The Winnipeg newspaper getting along very comfortably nd here we have many avenues eet any situation that arises. Bu he situation with respect to the news apers in C. P. R. towns is serious hey must fight for freedom now of
