### THEODORE'S LATEST BOOM.

Special to Evening Telegram.  
THE HAGUE, April 29.—Theodore Roosevelt was received here at midnight with astonishing demonstrations. The masses were waiting at the railway station, and when he alighted from the train they swept him along toward his carriage. The police were powerless to check the violent rushes in which numbers of persons were thrown to the ground. The great orderly assembly of townspeople, cheering and waving the Stars and Stripes and handkerchiefs, remained outside long after Col. Roosevelt had entered his hotel. Finally he came out on the balcony and bowed, then withdrawing. The crowd, however, remained some time afterwards singing patriotic songs and then dispersed. Altogether Col. Roosevelt's visit to-day to the land of his forefathers was a notable one.

### HEAVY FIGHTING.

SERIOUS LOSSES.  
Special to Evening Telegram.  
CONSTANTINOPLE, April 29.—The Turkish forces have not succeeded in dislodging the Albanians who hold a strongly fortified position in the Kachanik Pass. Sherket Pasha commanding the Turkish troops lost 200 killed or wounded Tuesday, and their waiting for reinforcements, he opened fire with a view to having the rebels surrender. This failing, he again opened an attack Thursday night and the battle proceeded throughout the night and well into the next afternoon. The Albanians contested every foot of ground in force. The losses on both sides were heavy. The situation is serious.

### FINANCE ACT IN FORCE.

Special to Evening Telegram.  
LONDON, April 29.—The Budget which had kept politics in a turmoil during the past year received the royal assent this morning, thus becoming a law of the anniversary of its introduction. The House of Lords and the House of Commons met in formal session to-day, not more than a dozen members being present. The House of Commons adjourned until May 26th.

### A STRANGE ORDER.

Special to Evening Telegram.  
ST. PETERSBURG, April 29.—The Cabinet to-day revoked the order of the Minister of Commerce which called for a strict enforcement of the law limiting to 15 per cent. the proportion of Jews admitted to the Commercial Schools and authorized the admission temporarily of Jews to the proportion of 45 per cent. The Commercial organizations have protested against the minister's order, citing the fact that the Jews were strong financial supporters of the schools.

### NEWMARKET RACING.

Special to Evening Telegram.  
NEWMARKET, ENGL., April 29.—The 2 year Old Selling Plate was run here to-day and was won by P. P. Whitney's Regatta, the Second Time Grape was second and Linggi third. There was 11 starters. The 1000 guineas stake of 100 sovereigns each for 3 year olds distance one mile, was won by Nixip and Lord of Cornhill was second and Rosaline third. 15 horses ran.

### NEGRO LEADER DEAD.

Special to Evening Telegram.  
HAVANA, April 29.—Martin Morua Delgado, Secy. of Agriculture in the recently reconstructed Cuban Cabinet and former President of the Senate, died last night. He had been in ill-health for some months. He was 65 years old and was the most prominent Negro Leader in Cuba.

## Sore Throat Catarrh

With the many remedies you have tried you surely know that no liquid medicine can cure your throat or nose. Even a gargle only bathes the entrance of the throat—it can't really get inside, nor can it reach the inflamed bronchial tubes.

With Catarrhazone, it's so different from medicine taking—you simply breathe its healing vapor, inhale its balsamic fumes, which carry cure and relief to the minutest air cells in the lungs, nose, throat and bronchial tubes.

In this scientific way the soreness and inflammation is rapidly allayed, relaxed cords are toned up, the entire mucous membrane invigorated. Every trace of Catarrh disappears, the disagreeable dripping of mucus in the throat, hawking, spitting, and stopped-up nostrils—all these sure signs of Catarrh and bronchitis are permanently cured by Catarrhazone.

## Catarrhazone Is Guaranteed to Cure

Recommended by the medical profession for coughs, colds, bronchitis, sore or relaxed throat, laryngitis, clergyman's throat, smoker's throat, bronchial cold, weak chest, chest inflammation, huskiness, hoarseness, wheeziness, loss of voice, that tickling cough, old age cough, asthma, chest pains and chest tightness, croup, whooping cough, and children's throat and chest weaknesses, and all adult throat and lung ailments.

Beware of the unscrupulous dealer who offers you some cheap substitute; insist on Catarrhazone only. Two months' treatment, \$1. smaller, 50c.; all reliable dealers, or by mail from the Catarrhazone Co., Kingston, Ont.

## Municipal Election.

To the Municipal Electors of St. John's.

Gentlemen.—After due consideration and at the request of many of the citizens, I have decided to enter as a Candidate in the forthcoming Municipal election.

My interest in the welfare of the City is not ordinary degree as being a property holder of some extent and one of your business men, and a resident of many years standing, I am bound up in its prosperity from every standpoint and the desire to add to the health and comfort of all my fellow citizens.

If honored by your votes with a seat at the Council Board, my aim shall be to at once give close attention to the many necessary civic reforms which need to be enacted. My chief policy in this direction will be to abandon so far and as promptly as possible, the present expensive and intolerant sanitary system which entails the enormous cost to the city of not less than thirty thousand dollars per year.

With a little judicious management and application to the study of more modern conditions, I feel we could get far better value for this big expenditure of taxes, which go on increasing though city improvements do not keep pace therewith.

It recede with the people to use the power of their franchise wisely, and if you feel pleased to honour me as one of your choice, I on my part, promise to wisely use the power you have given me, so as to render complete satisfaction in return for the taxes you are asked to contribute to the city's up-keep. First and foremost I shall do all in my power to wipe out the present obsolete and disgraceful sanitary system, a reform which ought to be easily accomplished without any extra taxation.

In the time which now remains to conduct the canvass of the campaign I will not be able to personally meet you all to discuss more in detail the reforms and principles I deem it necessary to see effected, but I trust that each elector will kindly look upon this appeal as a personal request from me for this valued influence and support; and I express the hope that the response will be of such strength as will entitle me, upon the declaration of the polls, to a seat at the Council Board in order to carry out to the fullest extent the ideas I here briefly set forth.

I enter the field as an independent candidate, not as a representation of any clique or party nor of any private or particular combination, but pledged to the welfare of each and every member of the community and the exposure of the motor—EQUAL RIGHTS TO ALL SPECIAL PRIVILEGES TO NONE. Again expressing the hope to win your approval. I remain, gentlemen,

Sincerely yours,  
FRID. FITZPATRICK.  
St. John's, April 29, 1910.

## C. C. C. Sports.

The C. C. C. held their annual sports at the Armoury, Harvey Road, last night. There was a large attendance including the Hon. John Harris and Inspector General Sullivan. The various items were interesting and very evenly contested. The band selections were particularly good. The following was the order of the programme and the names of the winners: (1) 1/4 mile flat race, (Sr.), W. Duggan, 1st; P. Grace, 2nd; (2) Three legged race, (Jr.), won by Masters Dunphy and Martin; (3) Uniform race, 1st, B. Hart; 2nd, F. Dooley; (4) Basket Ball, C. C. C. vs. M. G. B. won by Cadets; (5) Gymnastic Exhibition by Messrs. Comerford and Murphy; (6) 1/4 mile race (Jr.), 1st, B. Hart; 2nd, J. Murphy; (7) 1 mile Inter-Brigade race. There were four entries for this event, viz.: S. Spry (C.L.B.), J. Kavanagh (C.C. C.), J. White (Guards), and G. Benson (N.H.). This event was particularly exciting as each competitor frequently changed their positions. When near the end Benson spurred and reached the tape first with S. Spry a close second. (8) Field Hockey, C. C. C. vs. C. L. B. won by C. C. C. after a hard fought contest. The presentation then took place after which the evening was brought to a conclusion by the band rendering "God Save the King."

## Parade of Brigades.

In order to have their photographs taken for the Festival of Empire the four city Brigades paraded yesterday, viz., the C. L. B., under Lieut. Col. Rendell; the C. C. C., under Lieut. Col. Greene; M. G. B., under Major Hutchings; and Newfoundland Highlanders under Lieut. Col. McNeil. The spectacle was an attractive one. The pictures were taken by Messrs. Hooper and McDowd, of the London Daily Mirror. Amongst those present on the occasion were His Excellency the Governor, Lieut. Gale, Lady Williams and Miss Dean. The cinematograph was a march past in columns of companies they being at the saluting base. Next followed a march past in columns of fours. The boys then lined up in columns of Battalions and gave the Royal salute while the bands played "God Save the King." The Brigades then marched to their respective armories. There were fully a thousand present. The initiation of the affair is mainly due to Mr. W. G. Gooling, the Secretary of the local committee.

IF TORMENTED WITH CORNS go to the nearest drug store and buy a bottle of Putnam's Painless Corn and Wart Extractor. It is guaranteed to cure, and acts quickly, refuse a substitute.

C. C. C. PARADE.—The C. C. C. will hold a church parade on Sunday week. There will be a big muster of the lads, and they will attend last Mass at the R. C. Cathedral.

ENUMERATORS APPOINTED.—Enumerators have been appointed and will commence work in connection with Municipal Election early next week.

LANDED SICK MAN.—One of the crew of the Neptune, a young man named John Feltham, has been ill all the spring suffering from consumption, and was landed at Newtown, on Thursday, to be sent to his home at Flat Islands. B. B. Mr. O'Brien, the ship's doctor, gave the poor fellow every attention, as did Capt. Barbour, but it feared he cannot live, as when landed he was in a very serious state.

## Ice Away North.

The Neptune was as far north this spring as the White Bear Islands, over 200 miles down the Labrador Coast. The weather north of Battle Harbor has been very mild for this season of the year, and Capt. Barbour says that crafts could now easily get down to White Bears. In White and Green Bays there are plenty of herring, though not much codfish is yet reported. All are, however, getting ready for the fishery.

Mrs. R. P. Philpard who was dangerously ill for the last few days, and grave fears were entertained for her recovery is now, however, out of danger, and there is every hope of a speedy recovery. Her father, Mr. Ed. O'Reilly, is in town, having arrived on Friday's train.

## Kidney Suffering

ackaches and tired feelings tell of weak kidney action—Prompt relief by using DR. A. W. CHASE'S KIDNEY AND LIVER PILLS

There is no treatment for kidney disease which will afford you relief so quickly as Dr. A. W. Chase's Kidney and Liver Pills, and none which will so safely cure the most complicated cases of this disease.

There is a reason for this. Dr. A. Chase's Kidney and Liver Pills awaken the action of the liver and thereby effect a thorough cleansing and regulating of the excretory system.

Mr. S. J. Argue, Kars, Carleton, Ont., writes:—"I have suffered a great deal with kidney troubles and pains in the small of the back and have tried a good many remedies without obtaining very much benefit. I wish to say, however, that I can heartily recommend Dr. Chase's Kidney-Liver Pills as a splendid medicine as they have proven of very great value to me."

Dr. Chase's Kidney and Liver Pills, one pill a dose, 25 cents a box, at all dealers, or Edman & Bates & Co., Toronto. Refuse substitutes.
