FOR WOMEN ONLY.

That is the nature of Dr. Pierce's Pavorite Prescription-the one remedy for women which contains no alcohol and no habit-forming drugs. Made from native medicinal forest roots. Dr. Pierce tells its every ingredient on the bottle-wrapper. Prominent physicians and some of the best medical authorities endorse these ingredients as being the very best known remedies for ailments and weaknesses

This is what Mrs. GENETTI E. COFFEY, of Longstreet, Ky., says: "I feel it my duty to write and tell you what your medicines have done for me. I was a great sufferer for six years from a trouble peculiar to women, but I am thankful to say, after taking four bottles of your 'Favorite Prescription' I am not bothered with that dreadful disease any more. I feel like a new woman. When I first wrote you for advice I only weighed 115 pounds—now I weigh 135. "I thank you very much for your kindness. You have

been as a father to me in advising me what to do, so may God bless you in every effort you put forth for good. "I hope this testimonial will be the means of some poor suffering woman seeking health."

Wedding Bells.

DALEY-HANLON.

On January 11th, at St. Joseph's Church, Salmonier, Miss . Hannah Daley, daughter of Peter and Bridget Daley, was united to Michael Hanlon. son of John and Ann Hanlon. The bride wore a pretty dress of cream lustre, with hat to match. The bridesmaids Miss Maud Daley, sister of the bride, and Katie Ryan were neatly attired in white. The groom was assisted by Messrs. Anselm Hanlon. brother of the groom and Alexander Daley. After the ceremony the party proceeded to the home of the bride, where luncheon was served, after which, accompanied by a number of friends, the happy pair drove to their future home, where an appetizing supper was in waiting. Soon the young people were dancing gayly, and as the night advanced the older members of the party felt their youthful merriment returning, and soon all were "tripping the light fantastic," until a late hour, when the reluctant withdrawal of the company showed now immensely they had enjoyed themselves. The people of Salmonier wish Mr. and Mrs. Hanlon many happy years of wedded life. St. Joseph's, Jan. 15th.
