BRITISH ATTACK.

LONDON, Sept. 26.
The British made an attack to-day
on a wide front in the Ypres region.
Good progress is reported by the
war office.

BRITISH ADVANCE.

LONDON, Sept. 26.
Along the northern half of the bat-
tle line to the east of Ypres, where
Haig resumed the offensive this
morning, the British have advanced
at numerous places for a distance of
from 1,000 to 1,200 yards. An early
report, which was somewhat vague,
indicated that the British infantry
were fighting along a line only a few
hundred yards of Zonnebeke. The
Germans are resisting desperately,
and along a front of some thousands
of yards astride the Ypres-Menin road
a terrific struggle is proceeding.

GERMANY AGREES TO EVACUATE BELGIUM.

LONDON, Sept. 26.
Germany has agreed to evacuate
Belgium on certain conditions, it is
declared in a German official state-
ment. Germany, it is stipulated, must
have the right to develop her economic
enterprises freely in Belgium, espe-
cially in Antwerp. This statement
was made to a supplemental reply to
Pope Benedict's peace move. It was
in the form of a verbal communication
by Foreign Secretary Kuchlmann
to the Papal Nuncio at Munich, where-
in the Foreign Secretary specified the
conditions under which Germany was
willing to conclude peace on the basis
of evacuation of Belgium.

WHY NOT?

LONDON, Sept. 26.
Horatio Bottomley, editor of 'John
Bull,' attributes to Sir Douglas Haig
that last night's raid resulted in so
the statement that "We can take Lens
whenever we like."

AIR BATTLE.

LONDON, Sept. 26.
Although details are lacking, it is
reported that a thrilling battle occur-
ed between the German and British
airmen a few miles from London,
which probably accounts for the fact
little damage in the metropolis. The
German airplanes, although they
crossed the coast at different points,
were met and continually harried by
a large force of British machines.

Whether any of the raiders have been
brought down has not been learned,
but according to reports the German
fleet, which was coming towards
London at a great height and at
great speed, was completely broken
up, while the anti-aircraft guns boom-
ed constantly, establishing a barrage
around the city. As on Monday night
diners in hotels and restaurants and
audiences in the theatres and at the
opera, all of them for the most part
were indifferent and unaffected.
Many were laughing and joking and
others were reading newspapers,
magazines and books, which they had
provided for themselves, apparently
for a siege. The morning papers de-
voted more space to descriptions of
Monday night's raid than that of last
night, all agreeing that the latter was
a failure. The papers containing edi-
torial comments on the raid, repeat
the demand for reprisals, and call for
warnings of night raids the same as
during the day.

RAIDERS DRIVEN OFF.

LONDON, Sept. 26.
Lord French, Commander of the
Home Defence, reports that the first
group of raiders which appeared over
London last night was driven back by
gunfire and not more than two pen-
etrated the city's defences. Half an
hour later the second group of raid-
ers was driven off while approaching
London.

ONLY THE POORER CLASSES SEP- TERED.

LONDON, Sept. 26.
The area bombed in last night's air
raid was inhabited chiefly by the
poorer classes, but aside from the
breaking of windows and slight dam-
age to two or three small frame hous-
es, there was no property loss. The
Zeppelin raid early Tuesday morning
on the Yorkshire coast and Lincoln-
shire resulted in some property dam-
age in one populous area on the coast
where a number of aerial torpedoes
fell, but it is rather remarkable that
no casualties of any seriousness were
caused. It appears the raiders got rid
of a large cargo of bombs hastily and
at random from a great height. The
greater number fell harmlessly in the
fields.

Six persons were killed and 16 in-
jured in the southeastern outskirts of
London in last night's air raid.

OSTEND BOMBARDED.

LONDON, Sept. 26.
The German naval base of Ostend
was bombed yesterday by British
naval forces. British aerial patrols
over the fleet encountered six hostile
airplanes and downed two.

URUGUAYAN CONGRESS TO MEET.

MONTEVIDEO, Sept. 26.
The Uruguayan Congress has been
called to meet in special session on
Saturday, to vote on the question of
severing relations with Germany. This

action was decided upon by Uruguay
and the government as the result of
steps taken by the Argentine Con-
gress. The Foreign Minister will ex-
plain the government's plan for a
break with Germany at the opening
of the session.

ARTILLERY FIGHTING.

PARIS, Sept. 26.
Intense artillery fighting occurred
last night on the Verdun front be-
tween Beaumont and Dezonvaux, the
war office reports.

PRESIDENT OF PARAGUAY RE- SIGNS.

ASUNCION, Paraguay, Sept. 26.
Eduardo Scherer, former President
of Paraguay, resigned his seat yester-
day in the Senate as a protest against
the policy of the Government, which
is said to lean toward breaking off
relations with Germany. It is re-
ported that Luis Riart, Minister of
Interior, also would resign because of
the attitude of the Government to-
wards Germany.

NOT WILLING TO BREAK RELA- TIONS.

BUENOS AIRES, Sept. 26.
Rumors were current last night
that President Irigoyen was not will-
ing to break off relations with Ger-
many, despite the action taken during
the day by the Chamber of Deputies.
It is announced that manifestation
made before the Congress
Palace to-day to demand an im-
mediate rupture in the name of the Ar-
gentine Republic.

MCCALL WINS.

BOSTON, Sept. 26.
The desire of Massachusetts to con-
tinue a war governor in office for a
third term, was emphatically shown
yesterday when Governor McCall was
re-nominated at the primaries by a
majority of 58,180 over Grafton D.
Cushing, of Boston. Former Lieut-
Governor Fred W. Mansfield, who op-
posed Governor McCall in the election
last year, again was nominated for
Governor by the Democrats without
opposition.

FROM MADRID TO PARIS.

MADRID, Sept. 26.
American engineers are studying
plans for a proposed new direct rail-
road from Madrid to Paris.

VATICAN DENIES REPORTS.

ROME, Sept. 26.
The Vatican denies reports that the
Pope intends to make proposals for
peace negotiations involving mediation
by King Alfonso of Spain.

LIFE IMPRISONMENT.

PETROGRAD, Sept. 26.
General Soukhomlinoff, former Min-
ister of War, was sentenced to hard
labor for life after conviction of a
charge of high treason, in Court to-

day. Madame Soukhomlinoff was ac-
quitted. Soukhomlinoff was convicted
also on charges of abuse of confidence
and fraud.

AMERICA'S FLEET.

WASHINGTON, Sept. 26.
Within a little more than a year
the United States will have an ocean-
going merchant fleet of more than
1,600 ships, aggregating 9,200,000 tons,
the Shipping Board announced to-day.

PERU.

LIMA, Peru, Sept. 26.
The Government has instructed the
Peruvian Minister at Berlin to pre-
sent to the German Government a
demand that satisfaction be given
within 8 days for the sinking of the
Peruvian barque Lorton. If the de-
mand is not met, diplomatic relations
will be broken off.

SUPPORTS GOVERNMENT.

SAN JOSE, Costa Rica, Sept. 26.
A joint session of Congress was
held to-day to discuss the severance
of diplomatic relations with Germany
by the Government last week. The
session was attended by 34 of the 43
deputies, only 7 of whom protested
against the government's action. The
minority attacked Minister of State
Lara as pro-ally. The leader of this
faction is Fernandez Queil, formerly

editor of the Imparcial, a German
paper, recently suppressed by the
Government.

KILLED IN ACTION.

LONDON, Sept. 26.
Brigadier-General F. A. Maxwell,
V.C., D.S.O., a member of the late
Earl Kitchener's staff, has been killed
in action. With the exception of
Lieut-General Birdwood, says the
Express, it is a remarkable fact that
all of Kitchener's Indian staff have
lost their lives in this war.

FRENCH STEAMER SUNK.

PARIS, Sept. 26.
The French steamer Admiral De
Kersaint, 5,570 tons, was sunk on
Sept. 14th after being attacked by a
submarine in Spanish territorial wa-
ters. The submarine opened fire from
the midst of a fishing boat fleet, the
presence of which prevented the ship
from using her guns effectively.
After a long combat the steamer was
sunk just outside territorial waters.
The captain was taken prisoner on
the submarine. Ten of the crew were
killed or have died of injuries.

"THE FERMENT OF REVOLUTION."

LONDON, Sept. 26.
Under the heading "The Ferment of
Revolution," the 'Times' gives promi-
nence to the first of a series of arti-
cles by a well-informed correspond-
ent, who has made a careful study of
revolutionary propaganda current
among certain classes in this country.
The writer of the articles shows that
the movement runs counter to British
Trade Unionism, but that it is suffi-
ciently serious to demand public at-
tention. He writes: "There exists
at the present moment a revolution-
ary movement in this country which
has gathered considerable momentum.
It has passed the stage of mere talk
and has realized itself into formidable
action. There has been no attack on
the throne, no rioting in the streets,
no insurrection of visible property,
but changes have already come about
which are thwarting the efforts of the
Government to continue the war with
efficiency, and if these changes go
further they may bring the country
into confusion."

MONARCHIST PLOT A HOAX?

PETROGRAD, Sept. 26.
A judicial investigation has shown
that the famous monarchist plot early
in September in which Madame Hit-
rove figured, and in connection with
which several Grand Dukes were ar-
rested, was a hoax. It appears that
two volunteer soldiers and two civil-
ians exploiting the monarchist tenden-
cies of a part of the population for
their own personal benefit, issued a
proclamation bearing an imposing
seal in which the restoration of the
monarchy was demanded. One such
document was found in the house of
Madame Hitrove, with the proclama-

Patriotic Fund.

For the benefit of the
W. P. A. Red Cross Fund
a dance is being held to-
night in the C. C. C. Hall.
The band of the Corps has an excel-
lent programme of music prepared.
The patriotic object of the affair ought
to suffice for a large attendance.

Band of "Our" Regiment

HEARD AT HIS MAJESTY'S THEA-
TRE, LONDON.

The following telegram was re-
ceived by His Excellency the Gov-
ernor last evening from Major Time-
well, of the Pay and Record Office,
London:—
"Matinee at His Majesty's Theatre
yesterday, attended by H. R. H. The
Duke of Connaught, was a great suc-
cess."

"The Band of the Newfoundland
Regiment was very popular and made
a good impression."
"Eulogistic and extensive refer-
ences are made in the leading daily
papers."

ANOTHER ADVANCE IN GAS.—
People having gas in their homes
have been notified by the Gas Com-
pany that owing to the big advance
in the cost of coal, gas oil and other
supplies necessary for the production
of gas, they are compelled to advance
the rates to \$1.50 per thousand feet,
for power and heating, to come into
effect on October 1st.

sociation will be greatly obliged
