RECOGNITION.

The care of the teeth is now recog-
nized as a necessity. In fact the large
hospitals all over the world examine
the patients' teeth and where it is
possible put them in good condition
before attempting a surgical opera-
tion. Experience has shown that the
patient has a better chance for re-
covery with a clean healthy mouth than
without it. This ought to convince
the most skeptical that care of the
teeth is requisite to health.

Boot Polish

There is no need for you to feel shy
of the condition of your shoes, how-
ever long you have had them, pro-
vided you have always cleaned them
with the right Polish.

"DAY & MARTIN'S POLISH KEEPS
SHOES YOUNG."

When your shoes have been regu-
larly cleaned with Day & Martin's
Polish the leather retains its suppleness,
while the surface, being free
from cracks, takes an "all-over"
smooth bright polish, just like new.

Buy Day & Martin's Boot Polish and
look smart.
