**EPIDEMIC IN CANADA.**

We are just advised by Toronto Home Office that a serious epidemic of "Flu" has been going strong for the past sixty days, and that the Union has been paying from

25 to 50 CLAIMS Per Day.

Some of these claimants had only one premium paid; others were with the company from two to five years, and in a great many cases, each claim was far in excess of all premiums paid. Don't wait for "Flu" here. YOU may not be insurable. THEN! Better get complete protection at once—NOW. That's what we're here for.

**A PLEA FOR GOOD PLUGS**

"A defective sparking plug can be the cause of many and peculiar troubles. It is, therefore, false economy to purchase cheap plugs on the supposition that they are all 'much of a muchness.' It is true that a cheap plug may be perfectly satisfactory for many hundreds of miles; a plug of first-class make, however, for which a fair price is paid, will generally suffice for at least one season's running in an average engine."

The LODGE plug is known not only as a plug of first-class make which will last, but also as one that clearly manifests its superiority in the firing of a petrol engine.
