

THE RAILWAY CAMPAIGN in Halton goes on briskly.

The O'Connor Don in an address to his constituents favoured Home rule for Ireland.

The Drummond mine has been opened and so far it is believed that the fire is completely extinguished.

President Grant has ordered 10,000 army rations to be sent to Shrewport for gratuitous distribution.

The deputation which met the Comte de Chambord has returned to Paris. It is believed that the negotiations have failed.

Dr. Emil Ressel, before the Polarist investigation Committee, yesterday stated that he had no doubt Captain Hall died a natural death.

The rumored difficulties between France and Italy are denied. It is stated that the Italian Government is ready to return to Italy on leave of absence.

Mr. R. Herbert made a curious wager that he would row on the river Thames from Maidenhead to Westminster Bridge, England, fifty miles, in twelve hours, passing through eleven locks; and won with three hours to spare.

A terrible prairie fire swept over twenty-five miles of country in Nebraska on Tuesday, destroying much property. Twelve school children were caught in the flames, three of whom died on the spot, three more will die, and four are dreadfully maimed.

A new use of patent pills has been discovered. A farmer living in a Kansas village was abruptly visited by robbers one night not long ago, and having a gun and powder, but no shot, loaded with a box of fever pills, and blazed away. The result was as satisfactory as though the rescuers had swallowed the pills. One of them was killed outright, and another dangerously wounded.

SAD ACCIDENT AT WHITBY.—About four o'clock on Thursday afternoon little Lida McDougall, aged four years, daughter of Mr. J. G. McDougall, baker, while playing near the house, fell head foremost into a newly dug dry post-hole, about three feet deep, only ten or fifteen feet from the house. Her mother missed her in about half an hour, and on making search, found her little girl with her face in the dust at the bottom of the hole, smothered. The doctor was on hand immediately, and made every effort to restore life, but failed.

Forty years' experience have tested the virtues of Dr. Wistar's Balsam of Wild Cherry, and it is now generally acknowledged to be the best remedy extant for pulmonary and lung diseases, embracing the whole range from a slight cold to a settled consumption. Were it not for its merits, it would long since have "died, and made no sign."

Iron in the Blood

PERUVIAN SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protozoic of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food.

It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage, and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of its wonderful success. The remedy is curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its purifying effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and it is its constant reasonable habit to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
