ANNOUNCEMENT

ENGLISH'S, LIMITED, of Toronto, desire to announce that, having at a very advantageous price secured a most desirable property near the intersection of Quebec street and the C. P. R. Railway tracks, they are about to open an office in London, have the property subdivided, the streets nicely graded and, all being ready, offer lots to homeseekers and investors at sensationally low prices.

The property referred to, the choicest in that whole section, being adjacent to the very important C. P. Railway purchase, on which the extensive car shops and new passenger station are to be erected, has insurance of very rapid and very great increase in value, and to share in such an opportunity as is soon to be afforded should, and no doubt will, be eagerly taken advantage of by Londoners who, above all else, would naturally prefer a staple, profitable, right-at-home investment.

Announcement as to office address and date on which property will be thrown open to selection will, in due time, be made in the daily papers. In the meantime, rest assured, opportunity is, indeed, about to
