EGGS WENT DOWN WITH A BUMP

Sold at 25 Cents a Dozen Retail on the Market This Morning.

MAPLE SYRUP AT \$1.25

Beef Showed Tendency To Be Firm—Dressed Hogs Are Somewhat Higher.

There was only a fair-sized market this morning, owing to the condition of the roads, which precluded the movement of a large quantity of goods. The market for eggs was very quiet, and sales were few. Eggs went down with another decided bump this morning, selling at 25¢ by the dozen at retail.

Butter remained at the same figure, though there was a somewhat better supply than has been offered in the past few days. The best quality sold at 25¢ for rolls and 26¢ for cracker.

Maple Syrup. Maple syrup was sold in fair quantities, though the supply was distinctly smaller than had been expected. It had a remarkably good sale, and the market was soon disposed of, the price being \$1.25 a gallon.

Fresh vegetables were fairly plentiful this morning, much more so than for some time past, and they were taken with activity by the eager buyers. Green onions, lettuce and radishes had a particularly brisk sale at a few dozen bunches. Turnips, too, were fairly plentiful, and sold briskly. A few bunches of cabbage and root vegetables made up the remainder of the vegetable class, and the demand for these was not so great.

Meat Supply. In the department of meats there was not a great deal of change to be noted. Beef showed a tendency to be higher, \$9 to \$9.50 was paid for some of the first-class quality.

Dressed hogs are somewhat higher, \$11.75 being the price offered. The price for live hogs for Monday's delivery also shows a very slight advance, \$2.25 being the figure set.

LONDON MAN LEADS OLD HEADS TO C. B. A. INDIVIDUALS RETAIN JOBS

Joe West Puts Up High Mark of 646 at Toronto Tourney.

NOT A SPLIT OR BLOW

Married His Work—Ayers Moved Out of Second Place by One Pin.

Toronto, March 12.—As a general thing in bowling tournaments the players with "reps" do not win the chief prizes, the bulk of the honors usually being gathered in by comparative outsiders, but this idea threatens to be dispelled at the C. B. A. meeting now in progress.

Joe West, of London, considered to be the king-pin match roller, yesterday compiled the great score of 646 in the individuals and holds down first place by a large margin.

He rolled "clever" throughout, hitting a spare on his first ball, and a few of the "reps" were not so lucky. Billy Phyle, the ball-player, ousted Ayers, of London, out of second place by making 591, one more than credited to the Forest City crack.

A. J. Hartman, of the Brunswick, scored 550, while Fred Phelan stopped at 533. The former, the winner of the 596 in his doubles. The scoring in the event was uniformly good, Percy Edwards, a novice, rolling 576, which ties Hartman's record with Craig in the second division.

Billy Karrys and Andy Sutherland did not perform up to expectations. In the doubles Karrys and West only aggregated 1,039, hardly a prize-winning effort.

The Five Men Events. Nothing very remarkable was exhibited by the five-men teams, who occupied the drives in the evening. Teams from the M.A.A.A., of Montreal, and the Frontenacs, of Kingston, rolled along with the Athenians, Trinities, of Toronto, and the B. C. A. of London.

By private wire to The Toronto Star, from Harris, Wintrop & Co.

NEW YORK, March 12.—(10 a.m.) Threatened strike of B. and O. trainmen settled on basis of mutual concessions. Railroad men's union, 12,500 men, agreed to accept a 10 per cent. raise in wages, and the B. and O. agreed to accept a 10 per cent. raise in wages.
