

FARMER KILLS GIRL-WIFE AND TAKES HIS OWN LIFE

Disapproval of Match by Girl's Family Said To Be Cause of the Double Tragedy Near Belleville—Wife Is Likely to Die of Her Wounds.

Belleville, Dec. 15.—After mortally wounding his 15-year-old wife by firing the contents of a gun loaded with shot at her head, E. D. Wellman, a farmer in the township of Wellman, Hastings County, blew out his own brains, late Saturday. It is said that his reason for ending the existence of himself and his wife was that he believed his wife's relatives disapproved of him. They had been married a year.

The girl, despite her condition, was able to describe the circumstances of the affair to Coroner Dr. Algers, of Stirling, who, with other medical men, was summoned by the girl's mother immediately after the shooting. The doctors are of the opinion that the girl cannot survive her injuries.

FOUR MORE AIRMEN DIE IN ONE DAY

Pontoon Found Belonging to Machine in Which Two Men Began Flying Trip—British Officer and a Civilian Killed.

Los Angeles, Dec. 15.—The fate of Horace Kearney, the aviator, and Chester Lawrence, who started from here for San Francisco yesterday by hydroplane, seemed settled tonight when a pontoon belonging to Kearney's machine was picked up four miles off Redondo beach. The pontoon, which was found by Glenn Martin, while searching for Kearney in his hydroplane, fell into the ocean a few miles west of San Pedro, about 5 o'clock tonight and was badly injured.

REFUSED TO PAY FARE ON PULLMAN

Young Man From Sarnia Was Arrested When the Train Reached Ingersoll.

[Special to The Advertiser.] Ingersoll, Dec. 15.—Magistrate Paterson dealt leniently with Fred Willis, who was taken from a Pullman car of the G. T. R. 4:56 train by Chief Fysh on Friday afternoon, when his case was proceeded with in the police court on Saturday. The charge against Willis was that he was drunk and disorderly, and refused to pay his fare from London to this town.

It was at the request of the conductor that Chief Fysh was called to the depot when the train arrived. Willis struggled to remain on the train, and when he was searched at the police station two flasks of whisky and \$5 bill were found in his possession.

Willis told the magistrate he had been ditching at Sarnia for six weeks, and earned \$10.50 per week and his board. He was very penitent, and in view of the fact that Mr. King, of the G. T. R., did not press for a heavy penalty, and because of the gladness of the Christmas season, sentence was suspended on payment of \$2 costs, the remainder of the "five-spot" being turned over to Station Agent King to furnish Willis a ticket for Toronto.

Stores Crowded. That the Christmas trading is at its height, was demonstrated by the crowded state of the streets and stores on Saturday. Scores of farmers within a radius of many miles came to town, and the merchants had a busy day. The wheeling is excellent, and even with snow, the merchants are promised a busy period next week.

There was a slight decline in some prices at Saturday's market. Chickens were not quite so high as formerly, selling from \$1 to \$1.25. Eggs, \$1.75 each and eggs from 35 to 40 cents per dozen. Butter was plentiful, and sold freely from 28 to 30 cents per pound.

Elected Officers. Oak Lodge, A. O. U. W., has elected the following officers for the ensuing year: Past master, William E. Wilford; master, William E. Wilford; foreman, G. P. Burns; overseer, F. J. Fisher; financier, Hugh Moon; guide, Miss E. Sutherland; trustees, F. E. Wilford, Joseph Gibson, J. Brener; representative to grand lodge, Robert McMillan; alternate, F. J. Fisher; recorder, Mrs. G. P. Burns; medical examiner, Dr. Neff; inside watchman, Wm. H. Holden; outside watch, Miss E. Yelland; recorder, S. A. Gibson.

HELEN GOULD TO WED

To Be Married to Finley Shepard, Railwayman, of St. Louis.

Lakewood, N. J., Dec. 15.—Announcement of the engagement of Miss Helen Miller Gould, of New York, to Finley J. Shepard, a prominent railroad man of St. Louis, was made this afternoon at the residence of Mr. and Mrs. George J. Gould here.

Mr. Gould announced his sister's engagement in a formal statement, which reads:

"Mr. and Mrs. Geo. Gould announce the engagement of their daughter, Miss Helen Miller Gould, to Mr. Finley J. Shepard of St. Louis."

Mr. Shepard has long been prominently identified with railroad and financial affairs in the west. He is at present, assistant to the president of the Missouri Pacific Railroad, with headquarters in St. Louis. He is forty-five years old.

On the death of her father, Jay Gould, in 1892, Helen Gould, then 24 years old, inherited a fortune of about \$10,000,000. It has been estimated that by investments she has trebled this fortune, and at the same time devoted fully half of her time to benevolent work, which brought her into world prominence.

One of the unique forms of her charities has been the personal relations she has given to hundreds of city waifs and self-supporting women at her estate near Tarrytown, which includes a great playground especially fitted up for these parties. She has never been attracted by society.

DINING THE DUKE CAUSED A DEFICIT

Reception Committee of City Council Figured Out They Are \$1,000 to Bad.

HOW COUNCIL STANDS

Surplus From the Water Department May Save the City Fathers From Going in the Hole.

The financial year of the city council will be wound up this week. If the water commissioners have no further use for their surplus, and hand it over to the council, then the aldermen will be in a position to show a surplus of some pretensions.

It is expected that the board of works will have an overdraft of \$3,500. The most of this comes from the expenditure on roads. The appropriation for this work will be largely exceeded.

No. 3 committee will have a small overdraft, the fire department showing a surplus, but the other departments exceeding the estimates.

The finance committee, with a balancing account of a large one, will be some to the good, but in this case the amount will be much smaller than usual. Contingencies had to be provided for this year, and sums of rather unusual size had to be handed over to other committees.

The Duke's Reception. The manufacturers' and reception committee will have an overdraft amounting to well over \$1,000 due to the reception tendered to the Duke of Connaught earlier in the year.

The board of education will have an overdraft on public schools, it is expected. The amount would have been large had not the finance committee of the city council provided \$7,000 for industrial training. The Collegiate accounts will show a small surplus.

The hospital board will finish the season about even. The finance of the commission are each allowed one-half a mill out of the tax rate for their expenditure during the year, and both will finish well within that mark. Neither body will have much to the good.

Receipts and Estimates.

The receipts will be well in advance of the estimates. The water commissioners will have a bigger surplus than was figured on during the season. Major Hayes, the tax collector, will show a surplus on the tax roll of 1911 of \$1,000 or a little more.

On the whole, therefore, there should be a surplus of over \$1,000. The present council started with a surplus of over \$20,000, but the council of 1913 will have to be content with considerably less.

HYDRO PROPOSAL IS NOT AT ALL CLEAR

Windsor Aldermen Urge Delay in Entering Into Any Agreement.

That Windsor people are not satisfied with the hydro proposals as outlined so far, was very plainly apparent at a meeting of the industrial and power committee of the council, held on Friday evening, when, among multitudinous important questions, the following were asked:

Is Windsor to be used to further the ends of the hydro-electric commission in pushing its transmission lines through from London to this section of Ontario? Is the city a party to certain parties who wish to export power to Detroit?

Will the coming of hydro power mean cheaper electricity, but higher taxes? Should not an outside and independent engineer be secured by the city to fully investigate and make an unbiased report on how Windsor would benefit or lose on the hydro proposition? Has anything yet been explained to the ratepayers, the manufacturers, the city council, in terms of the contract? Can the city, by inviting competition, such as Edison, get cheaper power, without obligating it for thousands of dollars?

Mayor Shepherd declared that the Government was not trying to put one over on the city.

Mr. G. M. McGregor, general manager of the Ford Motor Company, Walkerville, and one of the largest prospective customers of the city, should the contract be signed, declared that the position of the city to the Edison Company has held back the development not only of the Ford Company, which is tied up owing to the same farm seventy-six miles from the city, but also the entire city. "If the Edison Company had been allowed to bring its power here," declared Mr. McGregor, "it would have competed with the S. W. and A. Railway, and we would by this time have power at a cost that the hydro people cannot compete with."

It is probable that Mayor Shepherd will make arrangements to have the Hon. Adam Beck, come to the city and address a public meeting, where the matter can be threshed out. It was the opinion of those present last night that the proposition should be put in a more concrete form so that the citizens will be enabled to look at it from a financial standpoint. The contract, as it stands, is Greek to all who have perused it and the councillors are literally at sea in the matter.

AT 100, SMOKES, BUT NEVER WORE CORSETS

Doesn't Believe in Women Voting, and Never Rode on Train.

Carmi, Ill., Dec. 15.—Mrs. Betsey Storey was 100 years old today and in connection with the recently-completed alterations to the building, and Rev. A. K. Birks, of Dundas, a former pastor, preached both morning and evening.

Both Rev. Birks and Rev. D. N. McCann, the pastor, spoke of the improvements to the buildings, and commended the members of the congregation upon their liberality in subscribing to the re-decoration, electric light installed, a new roof put on the church, and the organ loft lowered. The total cost of the improvements was in the neighborhood of \$15,000.

In the morning, Rev. Mr. Birks chose the subject "The House of God," and in the evening spoke on "Beauty and Its Attainments." He said that religion was reflected in the countenance, and those who lived a clean moral life could not be anything but beautiful and strong.

Special music was rendered at both services by the choir under the leadership of Mr. Leslie Roberts, the choir leader. The choir was assisted by Mrs. Ross, Miss I. Strath, Mr. White and the Imperial Male Quartette.

MURDER VICTIM PLACED IN GRAVE

Procession at Funeral of Mrs. Love the Longest Ever Held.

RESULT OF THE AUTOPSY

Doctors Discover That Woman Was Killed by Stabs of Knife.

Flesherton, Dec. 15.—The funeral of Mrs. Hannah Lucille Love, whose murdered remains were found in the cellar of her little home at Ceylon early Thursday morning, and whose husband is now lodged in Owen Sound jail charged with the crime, took place this afternoon from the Orange Hall to Flesherton Cemetery, and was one of the largest ever held in this district. During the services so many people crowded into the hall that the floor began to sag, and it was feared the supports might give way.

A panic was averted by someone starting to sing a well-known hymn, others joined in, and in this way the hall was cleared of a number of people, and no others were allowed in. The funeral procession was over a mile long, the last carriage leaving the hall as the hearse entered the gates of Flesherton Cemetery.

An Impressive Service. The service, which was conducted by Captain Geo. Hester, of the Salvation Army, assisted by Rev. J. F. McLaren, the Baptist clergyman of Flesherton, was held in the Orange Hall, as there was no church of that denomination in Ceylon. Rev. Mr. McLaren, who was a personal friend of the dead woman, and to whom the husband said she went on the night of the murder, did not refer to the tragedy in preaching the funeral sermon, except to state that in teaching her Sunday school class, a week ago Mrs. Love had said to them that they all should be prepared for death, as no one knew when they would be taken away. The short service at the grave was conducted by the captain.

The chief mourners were the son, Arnel, the daughter, Mrs. William Hindle, and a sister, Mrs. Conley, of Proton. The boy especially took the loss of his mother hard, and was on the verge of hysterics. The pallbearers were all old friends of the deceased. They were: Robert Cook, Sonogor, Hemphill, John Kennedy, John English, John Izard and Andrew Gilchrist. A strange coincidence is the fact that Robert Cook is high constable of Grey County, and arrested the husband on Friday evening on the charge of wife murder.

Raising Defence Fund. Following the statement of Love as he left for the jail that he had no money to secure a lawyer to defend him, the many friends who saw him off at the station have clubbed together and have engaged William H. Wright, of Wright, McDonald & Telford, of Owen Sound, to act for the defence. Mr. Wright will appear at the opening of the case tomorrow afternoon in Ceylon, when Love will be brought to Ceylon to be present at the session.

The result of the autopsy performed Saturday afternoon upon the body of the dead woman showed that she came to her death from four knife wounds in the throat, one of which severed the windpipe, and cut from either revolver shot or wounds inflicted by the pick of the shipbuilder's axe, as at first thought by the authorities. The physicians believe that the big steel pulka coming plowing in from the lake her arrival aroused the keenest interest, and there are sure to be several families somewhere who draw breaths of deep relief when they learn that the woman who passed by Sarnia on her way down.

The big steamer Hamonic arrived here early on Saturday on her last trip of the season, and as she swung slowly into the river whistles and bells and the shouting of friends greeted her. Although no active fears had been entertained for her safety still at the same time everyone was glad to see her safely berthed again.

A number of boats are already tied up at Sarnia for the winter, and several more are expected before the navigation for the month closes. At Port Huron, across the river, five boats are tied at the G. T. R. elevator dock, where they will unload grain during the winter months, and spring to accommodate the boats the present wharf will be lengthened some four hundred feet.

USE OF LITERATURE BARRED ON POLLING DAY

Amended Law Does Not, However, Prohibit Altogether, Cards, Etc., For Candidates

Under the election law as it stands after being amended this year, the use of election cards, etc., by candidates is prohibited on election day. Thus a candidate may have cards printed as usual and advertise his candidature, but he must not make use of such literature on the day of election. The law reads as follows:

"No person shall on the day of the polling, use or deliver to any other person any card, ticket, leaflet, book, circular, or other device, soliciting votes for or against any candidate, candidates, or for or against any question or bylaw, or having upon it the name of any such candidate, question or bylaw, or any person violating the provisions of this section shall be liable to a penalty not exceeding \$20, or, in default of payment, imprisonment for a term not exceeding ten days, on conviction before any justice of the peace."

REV. A. K. BIRKS IN LOCAL CHURCH

Spoke in Colborne Street Methodist at Reopening Services.

Special services were held in Colborne Street Methodist Church on Sunday in connection with the recently-completed alterations to the building, and Rev. A. K. Birks, of Dundas, a former pastor, preached both morning and evening.

Both Rev. Birks and Rev. D. N. McCann, the pastor, spoke of the improvements to the buildings, and commended the members of the congregation upon their liberality in subscribing to the re-decoration, electric light installed, a new roof put on the church, and the organ loft lowered. The total cost of the improvements was in the neighborhood of \$15,000.

In the morning, Rev. Mr. Birks chose the subject "The House of God," and in the evening spoke on "Beauty and Its Attainments." He said that religion was reflected in the countenance, and those who lived a clean moral life could not be anything but beautiful and strong.

Special music was rendered at both services by the choir under the leadership of Mr. Leslie Roberts, the choir leader. The choir was assisted by Mrs. Ross, Miss I. Strath, Mr. White and the Imperial Male Quartette.

LIFE ON LAKES IS NOW ONE OF PERIL

Many of the Boats Are Now Laying Up for the Winter.

SARNIA BRANCH OFFICE, 229 Front Street, Office hours, 9 a.m. to 9:30 p.m., 2:30 p.m. to 5:00 p.m.

[Special to The Advertiser.] Sarnia, Dec. 15.—During the summer months the passages of the boats do not arouse more than casual interest, but as the season draws to a close, the number of vessels that pass this port during the warm weather. But now that the passages are few and far between, and every boat that ventures out into the lakes is beset by the perils of storm, ice, wind and snow, the marine reports are eagerly scanned for news of the vessels, and whenever one of the big steel hulks comes plowing in from the lake her arrival aroused the keenest interest, and there are sure to be several families somewhere who draw breaths of deep relief when they learn that the woman who passed by Sarnia on her way down.

The big steamer Hamonic arrived here early on Saturday on her last trip of the season, and as she swung slowly into the river whistles and bells and the shouting of friends greeted her. Although no active fears had been entertained for her safety still at the same time everyone was glad to see her safely berthed again.

A number of boats are already tied up at Sarnia for the winter, and several more are expected before the navigation for the month closes. At Port Huron, across the river, five boats are tied at the G. T. R. elevator dock, where they will unload grain during the winter months, and spring to accommodate the boats the present wharf will be lengthened some four hundred feet.

MEMORIAL SERVICE FOR U. S. AMBASSADOR

Unusual Tribute Will Be Paid the Memory of Hon. White-law Reid.

[Canadian Press.] London, Dec. 15.—A memorial service for the late Ambassador White-law Reid is to be held either on Wednesday or Thursday of this week. The British foreign office, requesting him to express the condolences of the British Government with the state department.

The question of placing a British wreath on the tomb of the late ambassador's family for the conveyance of the body to the United States is to be considered later.

There has been a stream of callers at Dorchester House all day leaving cards of regret, and thousands of telegrams and letters have been received. Messages came from Prince and Princess Alexander of Teck, Princess Christian, President Taft, Sir David Burnett, Lord Mayor of London, Premier Robert L. Borden, of Canada, the Earl of Aberdeen, and most of the public men in the United Kingdom and America.

MR. ARCHIE CAMERON STRICKEN SUDDENLY

Died Just as He Was Coming Into House From Church.

Forest, Dec. 15.—Death came very suddenly last evening at his home here to Mr. Archie Cameron. Deceased had attended the evening service in the Baptist church, and had been coming home when he was stricken with an attack of heart failure, and died in a few minutes.

Mr. Cameron was 66 years old, and was born in Lobo. For some time he resided in Boston, but about fifteen years ago moved to Waukegan, where he remained until he retired from his farm and coming to Forest to live. He was a lifelong Liberal. Besides his wife, he has three daughters, Mrs. Peter Campbell, of Inwood, and Miss Annie, at home. The funeral arrangements have not yet been completed.

Remember, just little doll from each reader! It is very little, but the total will mean so much.

Mrs. Winslow's Soothing Syrup has been used for over SIXTY YEARS by MILLIONS OF MOTHERS for their CHILDREN WHILE TEETHING, with PERFECT SUCCESS. IT SOOTHES THE CHILD, SOFTENS THE GUMS, ALLAYS ALL PAIN, CURES THE COLIC, and is the best remedy for diarrhoea. Sold all over the world.

Ruptured People—Give This a 60-Day Trial

Here is something you can try sixty days—just as a test—without having to risk a cent—

Something absolutely guaranteed to cure your trouble—no matter how long it has been there—no matter how bad it is—no matter how old you are—no matter how weak you are—no matter how poor you are—no matter how rich you are—no matter how busy you are—no matter how lazy you are—no matter how nervous you are—no matter how calm you are—no matter how happy you are—no matter how sad you are—no matter how healthy you are—no matter how sick you are—no matter how strong you are—no matter how weak you are—no matter how brave you are—no matter how cowardly you are—no matter how kind you are—no matter
