Booklet, Just Issued, Tells Interesting Facts of the Society's Endeavors.

HANDLE MANY CASES

1.200 Children Have Been Looked After Since Local Organization.

A most interesting booklet has just been issued containing the 21st annual ort of the Children's Aid Society of passed through the society's to the notice of the society, and in ost cases results have been beneficial and lasting.

the shelter. 38 of whom were placed in foster homes, 13 returned to their parents, and others transferred to other institutions. Thirteen children were cared for in the county shelter; 29 children from outside municipalities also received care.

Juvenile court cases, according to the report, show a slight increase. The of-fences were disorderly conduct, truancy, theft, damage to property, assault vagrancy, trespass, smoking cigarettes neglected children, breach of bylaw. reaking and entering and receiving stolen goods—261 in all. Of these, 52 were allowed to go on suspended sentence, 51 fined, 137 discharged, restitution was made in three cases, 4 were committed to industrial schools, 9 were livered over to the guardianship of the Children's Aid Society, and 5 bound

over to keep the peace.

The report contains many touching true stories of little ones who have been escued by the shelter in the city and busty and grown up to useful citizenship as a result of being given a chance to live in the right kind of environment.

So Secret That There Were Scarcely Any Rearguard Battles.

GALICIAN CAMPAIGN OVER Muscovites' New Alignment Meant As Defence Against

Invasion.

[Canadian Press.] Petrograd, July 3 .- The present alignment of the tremendous forces engage eling east from the junction of the San River Bug, and on the Galician side of the Russian border.

Although the Germans recently gained new positions to the north of Halicz, where they fortified the left bank of the Gnila Lipa, a preponderance of the forces and the chief energy of the Austro-Germans were employed at the north end to advance into the provinces tending from the Vistula to the Bus

In this region, especially in the eastern half between the River Vieprz and the Bug, the Germans are making steady, if not spectacular, progress. The ncounters in this section have not been characterized by pitched battles, but they consist chiefly of rearguard actions followed by Russian counter. attacks and orderly retirement.

retreat from Tanew as so "artistic and secret" that there were scarcely any rearguard battles. This retreat caused, military experts say, by the progress of the wards Lublin and Kholm and the presence of considerable forces along the Vistula. Being flanked on both sides, the Russian Tanew position became untenable.

The Galician campaign is regarded by ritory against invasion.

Get Better Accommodation On Traction Line. Declares Member.

As a result of experiences some of over the city's new electric line. The booking that was made has been cancelled and the Baptists, numbering about 300, will go to the lakeside over the London and Lake Erie Transportation

"We find we are able to get much better terms in every way from the Traction people," said one of the members today. "The Port Stanley management will not let us sell ice to our own people in the cars, and on the other line we can not only do this, but can carry children under nine free and get a special rate on

Steamer Gadsby Torpedoed Off Coast - Crew Landed.

[Canadian Press.] London July 3.-The British steamer today by a German submarine. The crew was landed at Moville, Ireland. The Gadsby sailed from Sydney, C. B., June 18, for a European port.

The steamship Gadsby was built at Stockton, England, in 1889, and was owned by R. Ropner & Co. of West Hartlepool. She was 325 feet long, 48 feet beam, and drew 21 feet of water

LOWER EGG PRICES

Canadian Grocer Predicts Drop With Week or Two.

The following comment on the mar ket situation as regards foodstuffs will forces under the German crown prince appear in the Canadian Grocer this in the Argonne.

The situation in the egg market week or two. The fact of the matter is that there is an enormous supply of new-laid eggs in the west and it is understood that new-laids can be bought out there for 16c. If that is the case they can be shipped down here for-at the most-18c, and that is a cent or two under our price here. For James Cooper Over-Exerts Self that reason it looks as if levels in new-laids will shrink some during the a case of over-production, just as in

Once more we have to record an advance in the price of cheese. For two or three weeks the markets have been fairly steady and even showed-three weeks ago-a disposition towards condition for the cheese market. This week again all prices are up half a cent, following a rise of half a cent last week too. Some very active buying has been going on over the cable. ing has been going on over the cables, and the price has steadily advanced for two or three days, simply on English buying. Apparently they cannot get enough cheese over there, and it is said that the army is consuming an extraordinary amount.
