THE CITY

In explanation of the cost price of locally manufactured cigars, mentioned in Friday's issue, it may be stated that \$11 is the lowest rate per thousand which the union wage scale recognizes.

The Garrison Quadrangle Club, E. E. and M. A., concluded the season's festivities by Friday night in the racquet court, at Work Point. Refreshments were served at midnight, after which dancing continued until 3 o'clock, when the revellers, joining hands, rendered "And Lang Syne" in a good, hearty style, and thus coming a most enjoyable season of entertainment given by the club.

A PARTY of San Francisco gold seekers bound for the Yukon, and who arrived on the ship "Walla Walla" on Friday night, and their departure for the North with about a dozen others from Victoria on the steamer Mexico, which will be here from the Sound at 4 o'clock this morning. The others are, with few exceptions, miners from Wellington who have been in the city for several days preparing and outfitting for their Northern expedition.

A PARTY of thirteen tourists under the leadership of C. F. Chandler, of Boston, arrived from the Sound on the City of Kingston yesterday morning, and spent the day driving about the city. They have been "doing" the coast cities from San Francisco north, and make a start for the coast cities, in New York, Philadelphia, Boston and Buffalo, on the City of Kingston this morning. The party, which has made the Grand tour, their temporary home, is the first Raymond-Whitcomb excursion to arrive in the city this season.

A MEETING of the Victoria District Fruit Growers' Association has been called by the executive to be held in the Cedar Hill school room on Tuesday evening, April 27. The object of the meeting is to formulate plans for the carrying out of the society's intentions in regard to the fruit market building as a place to handle fruit on the co-operation principle. It is the intention of the society to commence business during the first week of May and in its work the association, which now numbers over 40 members, will be in harmony with the central Provincial fruit exchange.

FRIDAY was red letter day with the Sons and Daughters of St. George. Upwards of 120 of the order in celebration of the anniversary of its patron saint, congregated in the A.O.U.W. hall in the evening, and after dining together danced until an early hour yesterday morning. The supper provided was very elaborate spread, in which the characteristic roast beef was very conspicuous. The music for the occasion was supplied by the Marine Artillery band. An address was given by W. H. Price, the president of the society, which touched on several topics of public interest. He stated that in connection with Diamond Jubilee celebration the society had ordered sixty oak trees to be planted in some prominent part of the city or its suburbs, and he remarked that he was pleased to hear that the suggestion for the holding of a monster thanksgiving service in the drill hall had been well received. As an instance of the enthusiasm with which the Sons of England propose celebrating the greatest event throughout the world, he stated that in San Francisco \$25,000 had been subscribed to be spent in erecting a statue to Her Majesty. An effort is being made to band together all Englishmen in the United States, and it is believed that he is doing the membership of the order will be increased to 2,000,000.

Sarsaparilla Sense.

Any sarsaparilla is sarsaparilla. True. So any tea is tea. So any flour is flour. But grades differ. You want the best. It's so with sarsaparilla. There are grades. You want the best. If you understood sarsaparilla as well as you do tea and flour it would be easy to determine. But you don't. How should you? When you are going to buy a commodity whose value you don't know, you pick out an old established house to trade with, and trust their experience and reputation. Do so when buying sarsaparilla. Ayer's Sarsaparilla has been on the market 30 years. Your grandfather used Ayer's. It is a reputable medicine. There are many Sarsaparillas—but only one Ayer's. It cures.
