

AN ENTRANCE TO HIGH PARK. Some Property Owners Object to Being Taxed for the Improvement.

At the Court of Revision yesterday afternoon the determination to go on with the widening of Davenport-road at a cost of \$71,000 was endorsed in spite of a protest from Samuel Wilkison. The opening of Davenport-road was opposed by a number of ratepayers. Mr. W. Thomas led the protest. They say that Mr. Gibbs is the only person anxious to have the street opened. No decision was made.

The question of the asphalt pavement to be laid on Adelaide-street west was taken up and after considerable talking and some cross-talking the representatives of the Warren-Scholar and the local asphalt companies were referred to the Board of Works.

Considerable discussion took place on the Queen-street extension High Park when that anything is left to build upon, the VIGOR OF MEN is easily, quickly, permanently restored. Weakness, Nervousness, Debility, and all the train of evils from early errors or later excesses, the result of over-work, sickness, worry, etc., forever cured. Full strength development, and tone given to every organ and portion of the body. Simple, natural methods. Immediate improvement seen. Failure impossible. 2,000 references. Book, explanations and proofs mailed (sealed) free. Address, ERIE MEDICAL CO., BUFFALO, N.Y.

Progress of the Belt Line. Work is being pushed rapidly on the Belt Line Railway. The erection of passenger and freight stations is in progress, and the contractor expects to have the eastern loop between the Northern Junction and Yonge-street completed by Sept. 15, and the western loop by Oct. 1. Passenger cars of the pattern in use upon the New York and Ontario Railway will be placed on the line. The seats of these cars, except in the central portion, are heavily upholstered in the metropolitan electric cars, thus affording comfort and elegance. The furniture is of the best material and the heating by steam. Two of these cars are already built and five of them, which have not, will be put into use on the suburban service between York and Weston.

On the Island To-day. The Band of the Queen's Own Rifles under the direction of Mr. John Bayley will play the following program in Island Park this afternoon: March.....The Silver Trumpets.....Viviani Overture.....Le Lac des Fées.....Auber.....The Ball Children.....Lambert Serravallo des Mandolines.....Desouces Overture.....The Charge.....The Bishop Selection.....Espanol.....Yardi Value.....The Ash Grove.....Yardi Pas-Bodolaine.....Enthousiasme.....Voinar

The most elegant and most ingeniously contrived combined drawing-room and dining-car that ever came into Toronto arrived last evening with a party from Boston to attend the floral convention. They came over the C.P.R. in the new car "Jeannette," an invention of Mr. Elias Harris of Boston. The car differs from the ordinary Pullman in that during the day the berths are hidden beneath the floor, and every nook and corner is utilized in order to give the greatest amount of space. The ventilation of the car is perfect and the berths are wider, longer and higher than those of the older Pullman. The car is a model of modern travel and is ordinarily accepted to the car left last evening by the C.P.R. for Boston.

A Pointer. That would guide us usefully into the haven of health all that are on the troubled sea of impaired womanhood. It is nothing less, nor could be nothing more, than Dr. Pierce's Favorite Prescription—full women's health friend—tried and thoroughly tested. Internal inflammation, irregularities, indigestion, nervousness, peculiar to woman controlled, corrected and cured. Purely vegetable. Only good can come from its use. It will be put into use on the suburban service between York and Weston.

The second drowning accident in the vicinity of Queen's Wharf inside of a month happened at the wharf off Queen's Wharf yesterday afternoon about 3 o'clock. A young man by the name of Goodfield, aged about 20, and living on Bloor-street, West, in his bath and being unable to swim, when he reached deep water went down. He was too far from the shore to be rescued. Dr. McKewen and Patrick, who were present, tried to save him and did all in their power, but their efforts were fruitless.

Mothers and Nurses. All who have the care of children should know that Dr. Fowler's Extract of Wild Strawberry is a reliable remedy for all ailments of children, such as colic, diarrhoea, dysentery, cramps, cholera infantum, cholera morosa, etc., in children or adults.
