The sudden ending of the Washington meeting on Thursday was a surprise to many, says The N. Y. Press, in view of the announcement which the management made a few days previous that racing would be con-tinued until the 19th inst. When the revenue from the city poolrooms was shut off the backers became alarmed, for it was on this that they placed reliance for the continuance

burg meeting, as was demonstrated on Fri-day and Saturday, when the best crowds of the meeting turned out. The effect was also shown in the ring, as there were a number of new bookmakers doing business.

HOW 'VARSITY LOST.

A Montreal Critic Tells of McGill's Su As the two teams came on the field it was that 'Varsity's team was comparatively

light. 'Varsity have played all season with a su wings. When they saw that McGill were going to play with the full scrimmage and four wings they wisely placed the four extra wings into the scrimmage. 'Varsity's team play well together, and their back diviback, was superb, never missing a ball, his fine kicks from behind goals into touch, though at times rash, saved his team many points. Parkyn and Wood were the star half-backs for 'Varsity. McGill's wings were rather too quick for them, rendering their kicks at times ineffectual. Bunting, who has showed up so well in Ontario for his fine runs, was unable to do anything against McGill, as he was collared every time he attempted to run. 'Varsity's wings were unable to hold McGill's, as McGill got through them without difficulty. This may be accounted for the fact that in Ontario they do not "block" as we do here in Quebec. They tackle a wing and hold him back in that way, the second of the second of the property of the second of the property in the Parkdale Methodist Church last tondon, the World's Metropolis, "at lest night's meeting of the league of Queen-street Methodist Church.
