"Walter Baker & Co., of Dorchester, Mass., U.S.A., have given years of study to the skillful preparation of cocoa and chocolate, and have devised machinery and systems peculiar to their methods of treatment, whereby the purity, palatability, and highest nutrient characteristics are retained. Their preparations are known the world over and have received the highest indorsements from the medical practitioner, the nurse, and the intelligent housekeeper and caterer. There is hardly any food product which may be so extensively used in the household in combination with other foods as cocoa and chocolate; but here again we urge the importance of purity and nutrient value, and these important points, we feel sure, may be relied upon in Baker's Cocoa and Chocolate."—
