

† We have received from Thos. Horn, of Sherburne, N.Y., a photograph of his apiary. It is situated close beside his barn; the hives are all in straight rows, are all of one make, and make a pleasing picture; the good substantial looking barns and sheds betoken a goodly degree of prosperity with friend H. We are sorry to say that the photo was badly broken up in the mail.

Just at present we are out of "Honey Label" circulars, and we have been so busy we have been unable to get out another edition; we will make a number of additions to our next one and will have a set of druggists and M. D's. samples. Our facilities are being enlarged and improved and we are credited with turning out a pretty fair sample of work. Send for estimates for circulars, price-lists, etc.

HONEY MARKET.

BOSTON.

Honey is selling very well but prices are very low, and we are often obliged to shade our prices in order to make rates. We quote 1 lb. comb, 14 to 16 cents. 2 lb. comb, 12 to 14 cents, Extracted, 6 to 8 cents.

BLAKE & RIPLEY.

CINCINNATI, O.

Demand is extremely slow for extracted honey. Manufacturers seem to have taken a rest. There is only a fair demand for honey in glass jars and for comb honey. Prices are unchanged and nominal with occasional arrivals and a large stock on the market. We quote extracted honey at 4c. to 8c. on arrival and choice comb honey at 12c to 14c. in a jobbing way. There is a good home demand for bees wax. We pay 25c. a lb. for choice yellow.

CHAS. F. MUTH & SON.

Cincinnati,

CHICAGO.

Without any material change. White comb honey in one pound frames brings 16 cents; very fancy 17 cents. Dark is slow sale. Extracted honey 6 to 8 cents per pound. Beeswax 25 to 26 for yellow, market steady.

R. A. BURNETT.

Chicago,

DETROIT.

No change in Detroit honey market. Best white comb honey in 1 lb. sections, 14c. per lb. with but few sales. Beeswax, 23 or 25c., and in fair demand.
