THE LARGE 103, YONGE STREET

Daily the tidings are brought from afar Of the noise, the confusion, the havoc of war; And the topics now heard in the parlour and street Are the strength of the army and force of the fleet.

But Britain decides, and does not in vain— That she shall the peace of the Nations maintain, That while Nicholas thunders, or his cannon roar, Her standard shall float o'er each threatened shore.

And the tri-colored flag and the ensign are joined, Their armies united, and their fleets are combined, And the sons of each nation in this awful strife Are determined to conquer or forfeit their life.

Yet tho' the war rage the thing is quite clear, You must have new clothes at this time of the year, Nor would it be prudent or wise to delay In making your purchase much later than May.

Now, PEARSON has studied an statements below In reference to fabrics and prices will show— By securing the products of a new class To make large provisions for these wonderful times.

His Stock is neither inferior or small But such as he trusts will satisfy all; And he therefore expects very early to see His esteemed patrons at the ONE HUNDRED AND THIRTY.

M. PEARSON

CANADA vs. THE WORLD.

READER, If you inquire of any person or persons who have ever visited C. S. POWERS' Newcastle Marble Works, or purchased Marble from any of his numerous Agents in Canada West, they will tell you that this is positively the LARGEST, BEST and CHEAPEST Establishment of the kind in the Province, and not inferior to any in British North America. His Marble, which he imports direct from the native Quarries, is of a very superior quality, and comprises every variety of European and American Marble in demand in this Country, and as he employs none but first class Sculptors in its manufacture, his work is pre-eminently distinguished for originality and beauty of design, and skill in execution. He is now constantly manufacturing in order:

- Monuments, Obelisks, Tomb-stones, Head-stones, Ornamental Enclosures, Marble Piers, & Marble Furniture,

of every description, at prices which cannot fail to secure the Patronage of a large portion of the Canadian public. If you wish to save your money, do not order work from any other House, without previously ascertaining his prices, which will upon application, be furnished to any intending purchaser free of charge. Orders sent by mail should be post-paid and addressed, C. S. POWERS.

"Marble Works," Newcastle, C. IV.

N. B.—Any responsible person wishing to act as Local Agent for this establishment, will, by forwarding his address, be supplied with a schedule of prices; and a liberal percentage allowed him for his trouble in receiving orders. There are many persons in Canada West thus employed, who without materially interfering with their other engagements, are making...

Protection from Lightning,

BY SPRATT'S PATENT. L. B. SPRATT'S PATENT Lightning Rods manufactured by E. V. Wilson and H. Piper & Brother, 50, Yonge Street, Toronto.

CAUTION—Allow no man to protect your buildings without first examining the points of his rods, and if they have not the Platinum Wire in the point, they are not genuine. The coating of them is of a composition of metal that never rusts, retaining its brightness for years. The metal is soft and easily cut with a knife, yet sufficiently hard not to melt under the influence of electric fluids.

Notice.—No Policy of Insurance covers losses by lightning unless turned down or set on fire. E. V. WILSON and H. PIPER & BROTHER, Agents wanted. Toronto, March 16th, 1854.

THE "CANADIAN SON OF TEMPERANCE AND LITERARY GEM" is devoted to the interests of the Order of the Sons—to temperance generally—to agriculture and the interests of farmers—to the advancement of Canadian Literature and Science—and to general and political news. The effort of the Publisher and Editor will continue to be to make an eminently a home and family paper, filled with its choice variety of reading matter. Our terms for 1854 are as follows:—

Single Subscribers, sent by mail, or delivered in the city, in advance, or within January, 6s. 3d., cy.

At the end of three months, 7s. 6d., cy.; at six months, 8s. 9d., cy.; at the end of the year 1854, 10s. cy. These sums will be considered as due and collectable at the end of these respective periods.

Half-yearly Subscribers 3s. 9d., cy., in advance, and \$1 if not paid till the end of the six months.

To Agents, Friends and Clubs, we offer these inducements:—

To agents whose names have stood upon our Books in 1853, if declining to act as such in 1854, 5s., cy., in advance, will be charged.

To old agents collecting from old or new Subscribers, in 1854, \$10— or sending five entire new names, sending the money to us during the year, at regular prices, a copy will be sent gratis.

To any old Subscribers sending two new Subscribers, at regular prices, 5s. only.

Ten copies of this paper will be sent to one address for \$10. Twenty copies to one address for \$18. In such cases it must be distinctly understood that the papers will be done up in one package, and addressed to but one person, or Division—and that these sums must be paid in advance, or within January—otherwise the usual credit charge will be made against the person or division ordering them.

Any one sending ten new subscribers, at usual prices, of 6s. 3d. each, (in advance,) may deduct out of the money collected 15 per cent, and so for any greater number. The Proprietor, however, gives notice that he will not be answerable for the receipts of, and payments to agents, travelling or otherwise, whose names do not appear regularly on such in this paper. Subscribers, before paying self-constituted agents, should see that they are persons of character or property.

The "Son & Gem" will be regularly issued weekly, on Friday afternoons,—dated and mailed on Saturday, so that most, if not all of our Subscribers will receive the same in Canada East and West by Saturday evening.

Advertisements will be inserted upon moderate terms.
