

WHEN MEN UNDERSTAND

How great an advantage total abstainers have in their chances of long life over non-abstainers they will realize fully why it is wise for total abstainers to seek separate classification in **THE TEMPERANCE AND GENERAL LIFE ASSURANCE COMPANY** when insuring their lives, and they will not be persuaded to insure elsewhere if they are total abstainers. To know the facts read our annual reports and **OUR ADVOCATE**.

HON. G. W. ROSS,
PRESIDENT

H. SUTHERLAND,
MAN DIR

HEAD OFFICE: GLOBE BUILDING, TORONTO.

ARCTIC REFRIGERATORS

MADE IN 4 SIZES

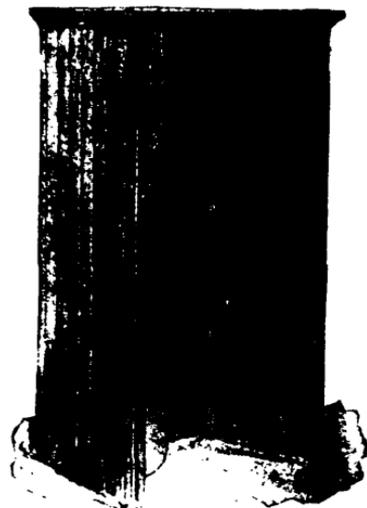

\$12.00 to \$25.00

Will answer the requirements of any ordinary household. Ten pounds of ice will last twenty-four hours. Arctics are built of extra seasoned ash, and of antique or natural wood finish, as desired. The inside linings are of heavy galvanized iron and specially prepared spruce lumber. The shelves are adjustable. The doors are self locking. It is mounted on ball-bearing castors.

We make all kinds and sizes of Refrigerators. Ask for Catalogue and Price List, describing fully our Family, Grocers' and Butchers' designs.

Our Guarantee

A smaller consumption of ice, the maintenance of a lower temperature and an absolutely dry atmosphere, with perfect ventilation.

No. 1. \$12.00
