ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once, produces natural, quiet sleep by relieving the child from pain, and the little cherub again as "bright as a button." It is very pleasant to take, soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

A LADY subscriber writes: "I wish to learn to play the piano really well. Where would you advise me to go?" To the woods, dear lady, to the dark, deep, dangerous woods.

PEARLINE.—With this article the washing can be done with ease, economy, and with despatch, and as it is thoroughly disinfectant, it will be seen that whenever used the result is pure and healthful. As there are imitations of this in the market, be sure and get the genuine, manufactured only by JAMES PYLE, New York.

I thought I knew I knew it all, But now, I must confess, The more I know I know I know, I know I know the less.

A PROMINENT member of a church not a thousand miles from this city was talking with his pastor the other day, about an excellent but somewhat aggressive lady of the parish. After descanting at length of her virtues, he concluded by saying: "In fact, she may be called the salt of the earth." "Yes," responded the clergyman quickly, "and the pepper too."
