HEALTH OR SICKNESS?  
CHOOSE BETWEEN THEM.

**HOLLOWAY'S PILLS.**

THE blood furnishes the material of every bone,  
muscle, gland and fibre in the human frame. When  
pure, it secures health to every organ; when corrupt, it  
necessarily produces disease. HOLLOWAY'S PILLS  
operate directly upon the elements of the stream of life  
neutralizing the principle of disease, and thus radically  
curing the malady, whether located in the nerves, the  
stomach, the liver, the bowels, the muscles, the skin, the  
brain, or any other part of the system.

USED THROUGHOUT THE WORLD!

HOLLOWAY'S PILLS are equally efficacious in com-  
plaints common to the whole human race, and in disor-  
ders peculiar to certain climates and localities.

**ALARMING DISORDERS.**

Dyspepsia, and derangement of the liver, the sources of  
infirmary and suffering, and the cause of innumerable  
deaths, yield to these curatives, in all cases, however ag-  
gravated, acting as a mild purgative, alterative and tonic;  
they relieve the bowels, purify the fluids, and invigorate  
the system and the constitution at the same time.

**General Weakness—Nervous Complaints.**

When all stimulents fail, the renovating and bracing  
properties of these Pills give firmness to the shaking  
nerves and enfeebled muscles of the victim of general  
debility.

**DELICATE FEMALES.**

All irregularities and alluents incident to the delicate  
and sensitive organs of the sex are removed or prevented  
by a few doses of these mild but infallible alteratives.  
No mother who regards her own or her children's health  
should fail to have them within her reach.

**SCIENTIFIC ENDORSEMENTS.**

The London "Lancet," the London "Medical Review,"  
and the most eminent of the faculty in Great Britain,  
France and Germany have eulogized the Pills and their  
inventor.

Holloway's Pills are: the best remedy known in the world

**LANGLEY'S ANTIBILIOUS APERIENT  
PILLS.**

THE great popularity acquired by these Pills during the  
twelve years they have been offered for sale in this  
Province is a convincing proof of their value, as no un-  
due means of increasing their sale have been resorted to  
by puffing advertisements—no certificate published con-  
cerning them.

These Pills are confidently recommended for Bilious  
complaints or morbid action of the Liver, Dyspepsia, Cos-  
tiveness, Headache, want of Appetite, Giddiness, and the  
numerous symptoms indicative of derangement of the Di-  
gestive organs. Also, as a general Family Aperient. They  
do not contain Calomel or any mineral preparation, are  
effective in their operation, yet so gentle that they may  
be taken at any time with perfect safety, by persons of  
both sexes nor do they do most other Pills, necessitate  
the constant use of Purgative medicines the ingredients  
of which they are composed effectually obviating this  
common difficulty.
