Cases and Opinions ON CONSTITUTIONAL LAW,

AND VARIOUS POINTS OF ENGLISH JURISPRUDENCE. Collected and digested from Official Documents and other Sources, with Notes, by WILLIAM FORSYTH, Esq., M.A., Q.C., Standing Counsel to the Secretary of State in Council of India, late Fellow of Trinity College, Cambridge.

"We cannot but regard with interest a book which, within moderate compass, presents us with the opinions or responses of such lawyers and statesmen as Somers, Holt, Hardwicke, Mansfield, and to come down to our own day, Lyndhurst, Abinger, Denman, Cranworth, Campbell, St. Leonards, Westbury, Chelmsford, Cockburn, Cairns, and the present Lord Chancellor Hatherley. At the end of each chapter of the 'Cases and Opinions,' Mr. Forsyth has added notes of his own, containing a most excellent summary of all the law bearing on that branch of his subject to which the 'Opinions' refer. . . . Our space precludes us from dwelling upon the contents of this work at any greater length, but we think we have said enough to show that it is worthy of a place on the book-shelves of our statesmen, and all who take an interest in constitutional, or, rather, national and colonial questions."—*The Contemporary Review*.
