

Dear Sir: Knowing the Composition of PEPSINE (Gastric Digestive) and having used it personally for indigestion, I can confidently recommend it as a safe and reliable remedy for clearing the food and improving the health of the stomach and bowels. I shall undoubtedly recommend it to my patients and do all I can to increase its popularity.

Amos Perry, M.D.

75 N.E. St. Charles, Montreal.

To My Patients and the Public: In transmitting the entire manufacture of my 'Peppine' to the Hon. Secy of the City, I may say that I have used the above in my practice for the past forty years, and can confidently recommend it as a safe, reliable and efficient cleanser of the bowels and a preparation well calculated to arrest decay and restore the system generally. It is perfectly free from alcohol, and contains no other substances but the most pure and healthful.

Wm. H. Cassell, M.D.

In returning thanks to our many customers for their abundant patronage during the past year, we venture to hope for a continuance and even an increase of their favors during the next.
 We claim for our Foundry a rank among the type manufacturers of the world, equal to that of the best. Our facilities enable us to fill orders of any extent or amount. Our workmen are skilled in their several branches; our machinery is of the latest and most improved description; our materials are entirely new; and the type we produce is unequalled for beauty and finish, and of a **QUALITY** which we guarantee to be untrifled.
 We are agents for the most celebrated Power and Job Presses (English & American); for the best Ink manufacturing; and for the leading American Type Foundries.
 Our usual terms have been four months; but in order to encourage a ready cash system, we have decided to allow a discount of **TEN per cent.** off News Type, and **FIVE per cent.** off Job Type and Sundries, on all accounts settled monthly. We indulge in the hope that a large and constantly increasing number of Printers will be glad to avail themselves of this liberal discount. Special terms for new outfits and large orders.
