## HAVE YOU A BOOKPLATE?

I design and engrave Bookplates to incorporate any desired feature, each design being original work, specially drawn for each plate. Pencil sketch showing suggested treatment sent for approval in all cases. The cost varies,

of course, according to the amount of work involved and the method of engraving, ranging from Five Dollars for design, plate and 100 proofs complete in the case of a simple design, but in all cases I feel sure my prices are much lower than are usually charged for equally good work.

I have sent many Bookplates to Canada and U.S.A. and have a large number of testimonials as to the excellent way in which the designing and engraving have been executed.

On request I will send specimens free to any address at home or abroad. It generally takes about three weeks to complete the design, plates and 100 proofs, but as Bookplates are increasingly recognised as most suitable gifts, it is sometimes necessary to complete in less time, I do this whenever possible.
